**Brittiany Wilson**  
**Director of Operations**  
[brittiany@reveventcenter.com](mailto:brittiany@reveventcenter.com)

Brittiany was born & raised in Hendersonville NC, then spent the next 16 years in Greensboro, NC working in the corporate world. She recently relocated to the Upstate with her new-husband, Grady, and 4-legged pup-child, Gunner.

Early on in life, she was exposed to the excitement of weddings through-way of her parents' photography business: never imaging that she would one day have the opportunity to play a part in helping couples see their "big day" come to life or helping an organization celebrate their team!

A workaholic at heart, she also partners with several businesses for event planning, graphic design & marketing, and consulting. Her passion is seeing a vision become a reality – the process that it takes to create it and building incredible relationships along the way!

*Fun fact:* In November 2022, Brittiany got married here at Revel! Her number one recommendation... try to enjoy the whole process; it all goes by so quickly.

*Favorite quote:* "I have this crazy idea that my purpose is bigger than me!"
