

The background features a dynamic, comic-style illustration of a factory. A bright, starburst light emanates from the center, casting rays of yellow and white. The machinery is rendered in bold, saturated colors: green, orange, and purple. The overall aesthetic is energetic and futuristic. The text 'Super Fun Factory' is overlaid on the bottom right, with 'Super' and 'Awesome' in yellow script, and 'Fun Factory' in pink block letters with a black outline. The entire scene is framed by a blue border with a slight perspective effect.
