

## JFG PRIVATE EVENTS GUIDE

JONATHAN FERRARA GALLERY offers a unique venue for all events located in the heart of the Warehouse/Arts District. Established in 1998, JFG is a collective environment of creative visions featuring monthly exhibitions of (inter)national, emerging to established, contemporary artists. A commercial gallery with a public conscience; artist, activist, and entrepreneur Jonathan Ferrara founded the gallery to give artists a voice. Since its inception, the gallery has focused on forward-thinking artists with a sense of purpose, mission, and message. The gallery is known for its stimulating and provocative exhibitions in a wide variety of media, having been featured in The New York Times, Art In America, The Art Newspaper, The Associated Press, ArtNews, NPR and many other international publications.
