

BEVERAGE SERVICE

Beverage package pricing is valid for 100+ guests. Please connect with your event planner for small group pricing. Package pricing includes products served at the bars only. All packages are priced per guest, unless otherwise indicated.

Bar service with Hoffman House Catering ensures your event will be staffed with experienced, friendly, courteous, uniformed, licensed and trained bartenders. Bar staff will not serve those who appear intoxicated, those who cannot produce valid ID, or those who are under the legal drinking age. Bartenders reserve the right to refuse service to unruly or otherwise uncooperative patrons at their discretion. Last call will be thirty minutes prior to your event end time.

HOSTED BAR SERVICE

Standard service charges and applicable sales tax will be added to total bar balance. There is a \$200 bar set up/ tear down fee. In addition, there will be a \$100 fee charged per bartender (group size will determine the number of bartenders needed and is up to the discretion of Hoffman House Catering Management). Bartenders do accept gratuities as part of their livelihood and will display tip jars at your event. If you prefer that we refrain from this practice, please alert your event planner and they will add a \$14 per bartender, per hour (including set up and tear down) gratuity fee in lieu of tip jars.

CASH BAR SERVICE

Bartenders do accept gratuities as part of their livelihood and will display tip jars at your event.
