Meals are prepared using quality, fresh, and often local ingredients - direct from the kitchen to your table. From small to grand events, we offer the highest standards of cuisine and personal service.

### MENU SELECTION

- It is our policy that Alta Lodge provides all food (except wedding cakes) and beverages.
- Our Wedding Coordinator will be happy to assist you with your menu selections and meal schedule.
- An additional entrée option can be added to your menu for a 30% surcharge per person, based on the highest-priced entrée and entire group count.
- We request dining and beverage menu selections be finalized five (5) weeks before your event. Food/beverage decisions not made by your event deadline will be 'House' choice.
- Due to health and alcohol regulations, no leftover food (except wedding cake) or beverages from group dining events may be taken from the premises.

### MEAL COUNTS AND GUARANTEES

- The minimum count and charge for group dining are 10 guests. Listed entrée minimums are required, where noted.
- The final minimum count for dining, including children, must be finalized two (2) weeks before the event.
- Entrée specific final counts are required for plated dinners. If itemized counts are not supplied, the meal will be priced at the higher of the two selected entrées.
- We will be prepared to serve 5% more than the confirmed final count at the applicable price per person.
- The group dining charges will be based on the actual number of meals served, or final minimum count, whichever is greater.

### SPECIAL DIETARY MEALS

- With advance notice, we can accommodate special dietary needs. Additional charges may apply. Please consult your Event Coordinator about food allergies or dietary restraints that will affect your menu options.
- Guests with food allergies must notify their server during meal service.
- Our facility is not certified nut, gluten, or dairy-free. Trace contamination is possible.

### PRICING
