

Weddings at AvantGarden

AvantGarden is set within a charming historical 1896 Krafthouse style mansion with lots of authentic character. It's located in the Montrose/Midtown area, near Downtown Houston.

We host a variety of successful events: beautiful weddings and personalized and low stress receptions, as well as cultural and arts events. We host only one event per day, allowing us to fully devote our attention and services to the client and to ensure the event is flawless.

AvantGarden has 4 different areas:

Downstairs is where the main bar and lounge area are located.

A front patio with a fountain, and a lovely covered back patio where the ceremonies take place.

Our 3 fully stocked bars offer a wide selection of wine, homemade sangria, micro-brewed local beer and premium liquors, as well as tea, coffee and espresso bar, juice and soft drinks.

We can accommodate up to 200 guests for an intimate outdoors ceremony followed by a cocktail hour, dinner reception, formal dances, champagne toast and speeches, cake cutting, a dance after-party and finally a sparkler send-off

We have an award-winning Mexican food truck. It has been rated the best in Houston many years on a row. Everybody loves their food. 96% of our couples hire them.

As a special feature we have a Pompeii style wood burning pizza oven outdoors. The gourmet pizzas are a hit at every wedding.
