

BARNABE'S WALNUT GROVE PICNIC AREA

FOOD & ENTERTAINMENT PACKAGE 2023

Young's Jersey Dairy: #1 for Family Fun!

Your Picnic Food & Entertainment Package includes these family fun activities!

Udders & Putters Miniature Golf Courses - You can play two farm theme 18 hole courses with many interesting features such as: three levels of waterfalls, an authentic windmill, a covered bridge, a replica of our barn built in 1869, and a cow that moos if you get a hole in one on the 18th hole.

Driving Range - Hit a bucket of balls on our beautiful driving range. We have 40 grass tees, 9 open mat tees and 10 covered & heated tees.

Batting Cages - Covered batting cages with slow and fast pitch softball and four speeds of baseball.

Cowvin's Fast Slide - Extends 23 feet in the air, overlooks our entire complex, has three lanes of family fun, and is positioned between the batting cages and the driving range. For safety, you must be at least 42" tall to ride.

Volleyball Court and Corn Hole - Next to the picnic area is a sand volleyball court. We will provide a volleyball and you provide the competitors. We also have Corn Hole games for your competitions.

Cowvin's Corny Maze - Seasonal -- From Labor Day Weekend to late October, see if you can navigate your way through our cornfield. Three acres of corn and one mile of paths make this a fun activity for the whole family. Weather (and corn) permitting.

Cowvin's Kiddie Corral - For our guests 48" and under in height. Let the "little ones" enjoy an area designed just for them which includes a game play area, pedal tractors, cow hoops, and slide.

Moovers and Shakers - Take a ride in the colorfully decorated barrels. Hold on tight!

Visit the Animal Petting Area and Tractor Playground - Let the kids play on an authentic farm tractor and climb on the big tractor tires after you pet the animals. You can watch the afternoon cow milking every day between approximately 4:30 PM and 5:30 PM.
