WELCOME TO **EASTWOOD**

We would love to host your event!

Unlike other farm-winery experiences, Eastwood Farm and Winery is located in Charlottesville, Virginia itself. You don't have to drive out to the country to experience the country here. We would love to show you around our 77 acres of rolling hills, mountain views, raspberry vines and enchanted forests. Set back from the road, our event spaces are private and secluded - just waiting for you to create your special event.

Eastwood Farm and Winery is itself the realization of a dream for the Eastwood family. For many years, the founders imagined creating a space where family and friends could spend mornings watching grandchildren chase butterflies, afternoons hiking for wild berries and animal tracks, and evenings telling stories around a bonfire or just watching the lightning bugs. As it is for our family, we hope the farm will be a place for you to enjoy the simple pleasures all around us - to stop and see the forest through the trees. If you have not taken a tour of the property already, we hope you will visit and see for yourself.

We look forward to being a resource for you as you plan your occasion and hope that you will peruse our event packages for a sampling of what is available. With our partners, we can provide everything you need for your event, from a beautiful tent provided by Skyline Tent Company, to power and lights, tables and chairs, and world class cuisine served in an elegant yet natural setting. With the addition of our kitchen gardens along with partnerships with local farmers, we can enhance your culinary experience with fresh seasonal ingredients. We also partner with local makers to offer unique choices for welcome gifts, invitations, and natural skincare products (available in the Winery Cottage).

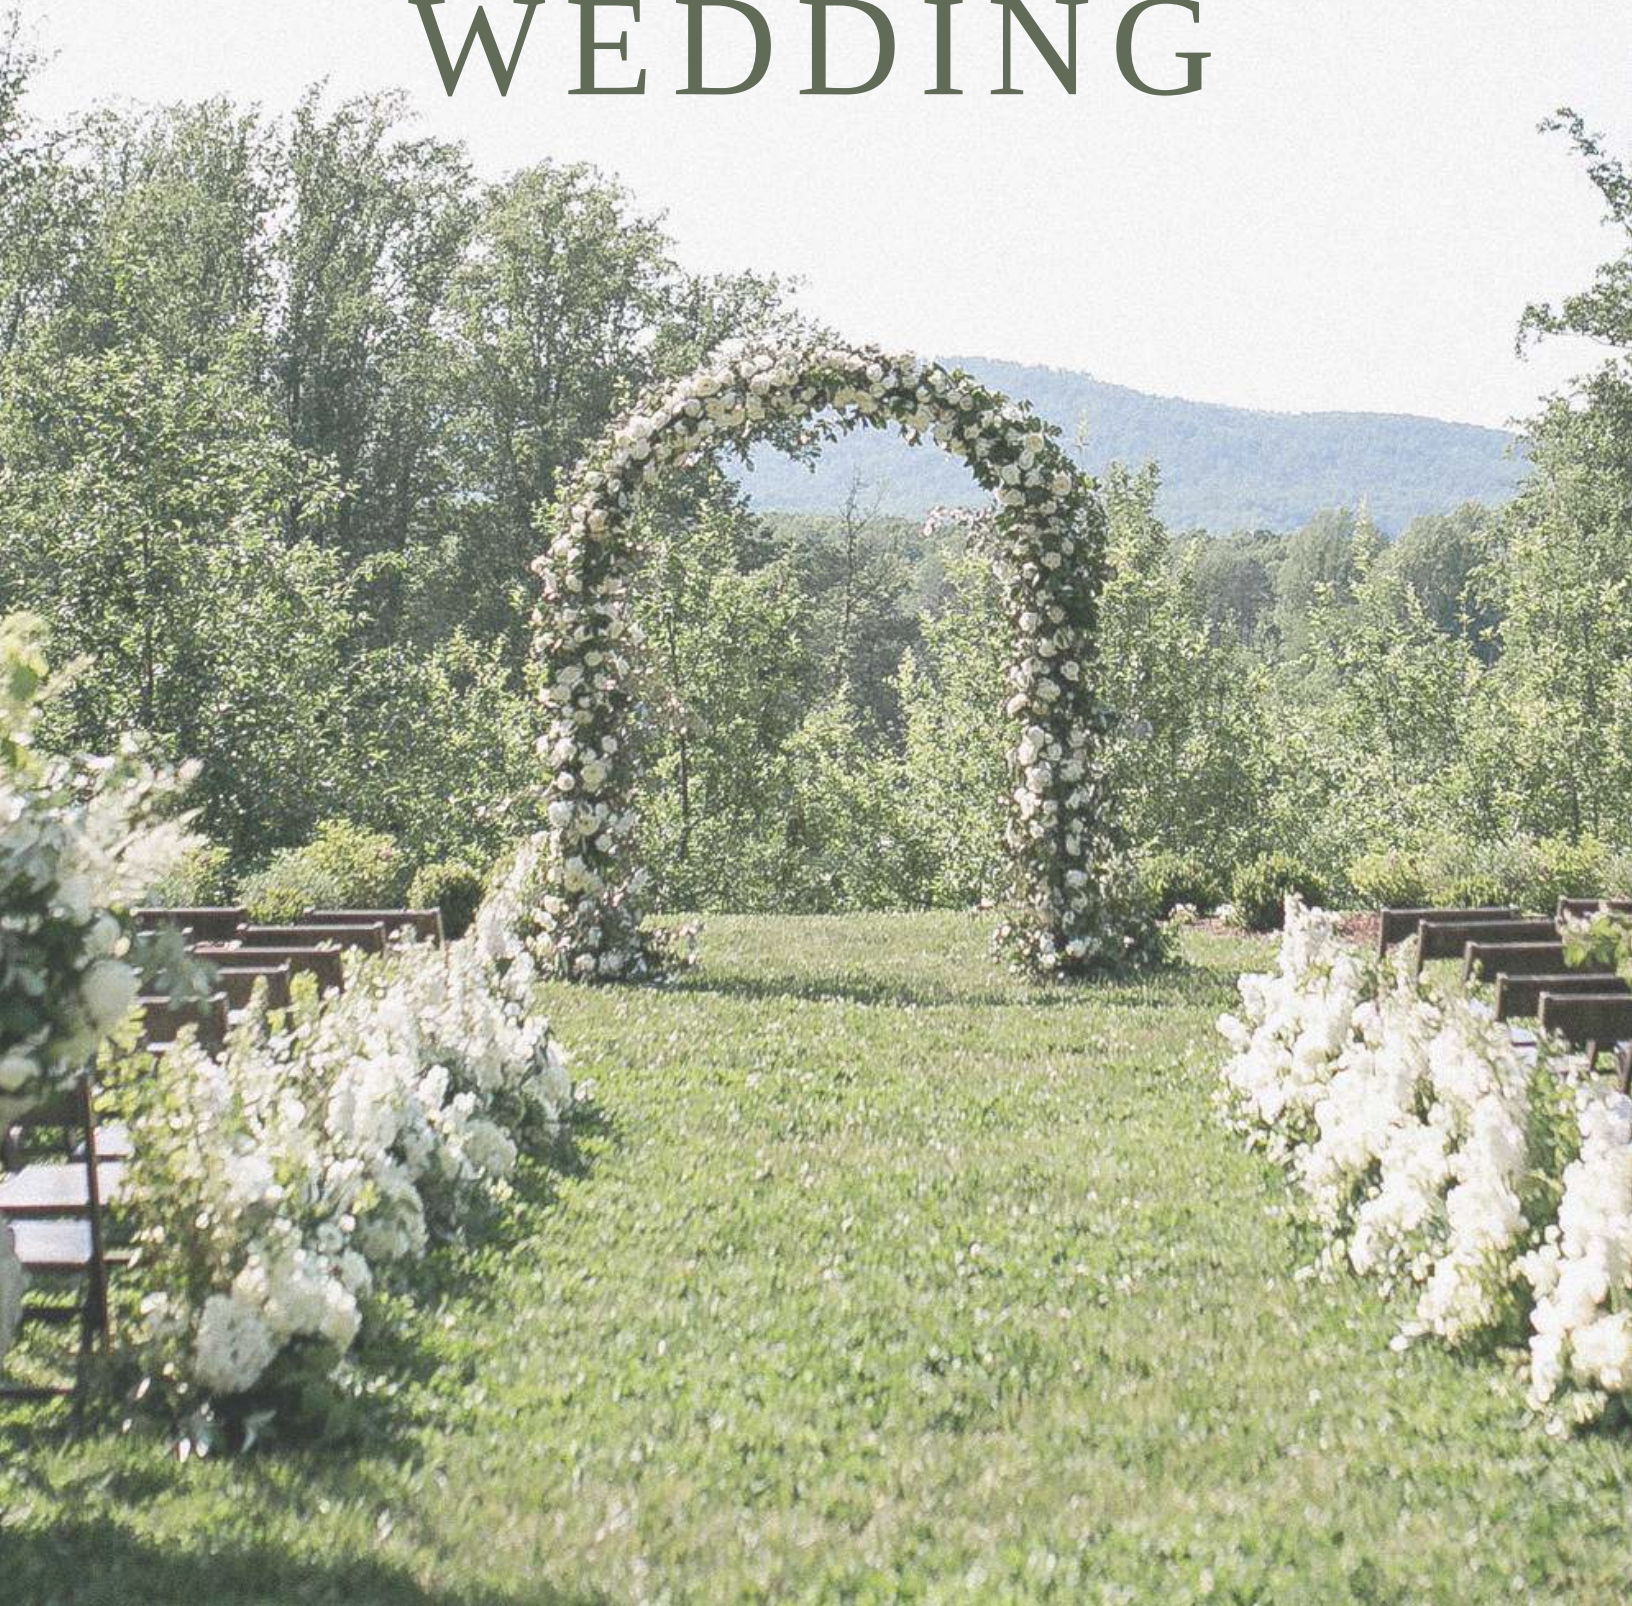

We can't wait to see you!

With warm regards,
The Eastwood Family

**WINERY
WEDDING**

Eastwood Farm and Winery is a family-owned and operated farm and winery located in Charlottesville on Route 20 South near Fifth Street Station. Situated along Carters Mountain range, our winery stretches up into the mountains and is complete with orchards, meadows, forests, and a breathtaking overlook point. With a myriad of outdoor spaces to choose from, couples have ample freedom to design their event.

Stretched out over the grounds are four main event spaces. The loftiest site on the estate is The Mountaintop, situated high above the Tasting Room and Terraces, yet accessible by car and shuttle bus. It is a breathtaking spot for a ceremony with majestic mountain views in the distance. The Mountaintop exudes peace and serenity. Perched at the top of a forest of ancient trees and a meadow of wildflowers, this outdoor location evokes a true sense of beauty and seclusion from the bustle of everyday life. It can accommodate 200 people seated for a ceremony or standing for an outdoor cocktail reception. Additionally, consider The Mountaintop if you are planning to have a first look moment or looking for a unique spot for photos.

Down the mountain, couples can consider our second event space, The Terraces: two open lawns each covering over 30,000 square feet and framed by views of our orchard and the Blue Ridge mountains. A 100' sailcloth tent with a wooden floor accommodates 200 people seated and is the perfect spot for dinner and dancing. Adirondack chairs can be arranged on the lower terrace, with the option to add tabletop fire pots and s'mores kits, making this a great place to enjoy lawn games and the sunset.

For a more intimate occasion, consider our third location: The Orchard. Surrounded by apple and pear trees and wandering butterflies, it is a great place for a micro ceremony, cocktails, a first look moment, or a photoshoot of the wedding party.

Our fourth event space, The Barn, is home to our Tasting Room and Veranda. Available for limited dates December - March, the Barn can accommodate 150 guests seated or standing and is a perfect setting for your winter wedding with farm tables, a reclaimed wood bar, and views of our fermentation room.
