The 2nd payment (half of the remaining amount) is due 30 days prior to your event date. The 3rd payment (remaining balance) is due in cash upon arrival of our service crew member on the day of your occasion. If you decide to cancel the service for any reason, each payment is refundable before its due date. If you'd like to make things easy and stress-free for yourself (so you can enjoy your event) and your vendors (so they can focus on their work), we recommend paying in full in advance.
