

SOUND SYSTEM PACKAGES BY GOLDEN GATE SUNRISE ENTERTAINMENT

Southern California's most affordable and reliable 5-star Yelp-rated music, sound, lighting, photography and videography provider.

Prices vary based on your event date, location and other details. For an accurate quote, please fill out our [event information form](#).

SINGLE SPEAKER VALUE RENTAL PACKAGE: \$500–\$750 (Available as add-on only)

- One active 8", 10", 12" or 15" speaker with a stand. Speaker size depends on equipment availability.
- One wired microphone with a stand or an audio cable for your laptop/ipod (3.5mm jack). Connects directly to the speaker.
- This package is perfect for small events (under 50 people) where you will only play music or only use the microphone.
- Optionally, our sound technician can stay onsite as your audio engineer (not a DJ) for an extra fee.
- Only \$1.00/mile travel fee (round trip). Delivery, setup, teardown, labor and tax are included.

FULL SINGLE SOUND SYSTEM RENTAL PACKAGE: \$750–\$1250 (Most popular choice for many events)

- Two active 8", 10", 12" or 15" speakers with stands. Speaker size depends on equipment availability.
- One small sound mixer Behringer Xenux 802 or similar. Comes with two XLR mic inputs and two ¼ inch stereo inputs.
- One wired microphone with a stand + one standard audio cord for your laptop/ipod (3.5mm jack).
- Optionally, our sound technician can stay onsite as your audio engineer (not a DJ) for an extra fee.
- Only \$1.00/mile travel fee (round trip). Delivery, setup, teardown, labor and tax are included.

FULL DOUBLE SOUND SYSTEM RENTAL PACKAGE: \$1250–\$1750 (Perfect for wedding ceremony and reception)

- Includes two full sound systems for two different rooms or indoor/outdoor areas.
- Four active 8", 10", 12" or 15" speakers with stands. Speaker size depends on equipment availability.
- Two small sound mixers Behringer Xenux 802 or similar. Each one comes with two XLR mic inputs and two ¼ inch stereo inputs.
- Two wired microphones with stands + two standard audio cords for your laptop/ipod (3.5mm jack).
- Optionally, our sound technician can stay onsite as your audio engineer (not a DJ) for an extra fee.
- Only \$1.00/mile travel fee (round trip). Delivery, setup, teardown, labor and tax are included.

PROFESSIONAL PA AND SOUND ENGINEERING PACKAGE: \$2250–\$3250 (Perfect for conventions and concerts)

- Four active 12" or 15" speakers with stands. Speaker size depends on equipment availability.
- 12" Subwoofer with all necessary adapters & cables (adds more punch and lower frequencies).
- Large audio mixer (eight XLR mic inputs and four ¼ inch stereo inputs, required for multiple performers).
- Six wired microphones with stands + two standard audio cords for your playback devices (3.5mm jack).
- Wireless microphone set with a handheld, lapel or headset option.
- Optionally, our sound technician can stay onsite as your audio engineer (not a DJ) for an extra fee.
- Only \$1.00/mile travel fee (round trip). Delivery, setup, teardown, labor and tax are included.

AVAILABLE ADD-ONS AND MORE INFORMATION:

- Wireless microphone set with a handheld, lapel or headset option - \$150.
- Wired microphone with a 25-foot XLR cable and a boom stand - \$75.
- 12" Subwoofer with all necessary adapters & cables (adds more punch and lower frequencies) - \$300.
- Active 8", 10", 12" or 15" speaker set up within 50 feet of another speaker - \$300.
- Small audio mixer with two XLR mic inputs and two ¼ inch stereo inputs, required for speakers and microphones - \$100.
- Large audio mixer (eight XLR mic inputs and four ¼ inch stereo inputs, required for multiple performers) - \$300.
- Onsite sound technician and/or sound engineering - varies between \$100/hour and \$300/hour.

Please note that additional fees may apply depending on your event date, location, layout, services requested and other factors.

ALL-INCLUSIVE PHOTO + VIDEO + DJ/MC + LIGHTING PACKAGES:

Event planning is time consuming and expensive. That's why we offer affordable all-inclusive packages that come with everything we offer at a discounted price: photography, videography, DJ/MC & lighting. In addition to saving money, you would also be saving plenty of time and energy, because you would be working and planning with company owner (Charlie) instead of dealing with several different vendors.

“GOOD” \$3000–\$4000. (Basic DJ + MC + Lighting Decor + Photography + Videography Package). GREAT \$ SAVINGS!

- Event planning: we will help you prepare a perfect timeline/agenda based on your event details and preferences.
- Basic photography package (1 camera, unedited photos, 3 hours of coverage). Each additional half-hour is \$100.
- Basic videography package (3 cameras, unedited videos, 3 hours of coverage). Each additional half-hour is \$100.
- Basic DJ/MC package (full sound system, custom music, MC announcements, 3 hours of coverage). Each ad. half-hour is \$100.
- Eight (8) state-of-the-art LED up lights (wall lights) or wash lights. Each light can be set to any desired color/effect.
- Intelligent wedding dance floor lighting (4 wash lights + 1 laser + 1 DJ light). The lights will change effects along with music.
- \$3.00/mile travel fee (round trip) to/from your event venue. Setup, teardown, labor and tax are included.
- Convenient online planning/consulting and a 24-hour response policy to all emails and phone calls.

“BETTER” \$4500–\$5500. (Popular DJ + MC + Lighting Decor + Photography + Videography Package). MUCH MORE FOR EVEN LESS \$\$\$!

- Event planning: we will help you prepare a perfect timeline/agenda based on your event details and preferences.
- Popular photography package (1 camera, 200-400 edited photos, 4 hours of coverage). Each additional half-hour is \$100.
