Couples' Registry Program

Add "Rob Hurth Photography" to your list of places Registered and **reduce your out-of-pocket costs** on your chosen Collection!! Or, use the additional gifts to add options to your chosen Collection!

Those who contribute will be sent an envelope containing our "Registry Certificate" that they will place in your Gift Box at your reception, letting you know who was a part of creating your Wedding Collection.

Our Couples' Registry Program has proven to be a **tremendous** financial benefit to so many of our Couple's, over the years!

Once your retainer is submitted with our Studio reserving your wedding date, and you've contracted for a specific Wedding Collection, your account will be set up to allow family and friends to contribute toward your Wedding Collection!

With contributions of a few dollars here & there.....you will have the opportunity to greatly reduce your costs, or, grow your chosen Wedding Collection to the next level; purchase Canvas Wall Portraits; purchase individual prints; or, create stunning Custom, Created in Italy, Leather, Library-Bound Albums, and much much more!

Everyone loves to give a gift that is sure to last for generations! ...**far better than a toaster, or blender!**

This is a completely FREE feature for ALL our Collections! Please contact our Studio for all the details!
