With over 12 years of experience, we are well-prepared to handle every expectation of your event. Let's talk about your wishes and concerns.

Our barn is the perfect location if you're looking for a place with a down-home feel and a barn-stomping good time for your wedding and reception. Our venue is "shabby-chic", which means it's an authentic 60+ year old barn with some really elegant and cute upgrades, like chandeliers, twinkle lights, air conditioning and real bathrooms that look like old-fashioned outhouses. Our 80 acre farm has gorgeous green pastures, a lovely fountain-fed pond with massive and moss-covered grandfather oaks, and we have small crops and blueberry fields, in addition to our cattle and horses.

We have a gorgeous and spacious Bridal Cottage for our bride and bridesmaids and a super-cool Groom's Tack Room for the guys to hang out in and make it a great day! While the Bride and Bridesmaids are glamming it up, the Groom and Groomsmen can fish, shoot clays or pistols on the gun ranges, play pool, poker and games. We have the fewest restrictions on what you can do for your event and we know how to throw a party! I'm a full service event planner, so you don't have to worry about anything!

We have a Deluxe All-Inclusive package where we've done the shopping around for you to find the best vendors with the best prices and quality. You select the ones you like from our list and save money! Folks tell us we have very reasonable prices and we are so easy to work with. With the price of rentals and all of the work involved, our pricing actually beats that of a DIY wedding! That's what we strive for! We have just added a new 14 passenger shuttle to our Deluxe Package! We will transport you and your family or wedding party to and from the local hotel of your choice. If you choose the Marriott Fairfield Inn & Suites they offer a shuttle, as well as a free Suite for the Bride and Groom.

Our All-inclusive package is truly all-inclusive!
