CATERING

2023-2024 Pricing Guide

Using only the freshest ingredients, unique and innovative recipes, your meal is prepared from start to finish on-site, whether plated, family-style, buffet or event festive food stations, passed appetizers, and so much more.

As one of the only venues in Seattle offering on-site catering alongside coordination and florals, our reputation is built not only on our atmosphere, but our food and service. Since 2001, Executive Chef Ian Hoyt has been a fixture at Imperia (formerly Lake Union Café event venue). The rave reviews we have received for our myriad food options are entirely due to his seamless combination of comfort food with trend-setting innovations. Our menus, combined with our featured Pacific NW beverage selections, are sure to delight.
