A warm Cleveland

WELCOME

WELCOME to the Huntington Convention Center of Cleveland and Global Center for Health Innovation! As our world changes – so do we. Outside the Grand Ballroom is what we call “The Real Farmville” where we tell our story of sustainability with honey bees, heritage breed pigs, chickens, a monarch waystation and an organic garden! We source our produce from Farmer Lee Jones of the

Chef’s Garden™ for local, sustainable, and organically raised produce year round. Staying progressive is important to us, as is making the event planning process simple and worry free. Please do not hesitate to reach out to your Catering Sales Manager if you do not find exactly what you are looking for, as we would be more than happy to customize a menu for you!
