FOOD

To ensure compliance with the Health Department food handling regulations, food will be consumed on the hotel premises at the contracted time(s). The Village Inn Hotel & Event Center is the sole provider of all food and beverages that are served in the banquet facilities. Food and Beverage is not permitted to be brought into the banquet areas by a guest, client's guest, or attendees from an outside source.

All food, beverages, room rental and services are subject to the customary 22% Service Charge and applicable State Sales Tax. Wedding and specialty cakes may be provided by a non-hotel source. The hotel will not be responsible for set-up or maintenance of specialty cakes.

Menu selections are due 30 days prior to the arrival date. Menus can be customized to suit your needs. If menu selections are not provided to the catering department; a selection will be assigned by the hotel catering department to the event. Menu prices will be confirmed 90 days prior to your event date, as published menu pricing is subject to change.

BEVERAGE

Village Inn Event Center is responsible for the administration of the sale and service of all alcoholic beverages in accordance with the North Carolina State Legislative Commission's regulations. It is our policy that all alcoholic beverages be supplied and served by the hotel. Bartender fees are \$60 for the first hour and \$30 for each additional hour per bartender. Proper identification may be required for all guests that consume alcohol. It is not permitted to bring in alcohol of any kind that has not been purchased by the hotel. All beverage items are subject to the customary 22% Service Charge and applicable State Sales Tax.

ROOM AND RENTAL

Function rooms are assigned according to the anticipated number of guests. If there are fluctuations in the number of attendees, or should more space become available, the hotel reserves the right to accordingly reassign the banquet function room. Client will begin function at designated time per the banquet event contract and agrees to have guests vacate the assigned areas at the closing time indicated per this contract. Failure to comply with these times will be subject to additional labor and/or rental charges. Additional rental may apply if group attendance falls below the estimated attendance at the time of booking. Any extended usage is subject to availability.

DEPOSIT AND FINAL PAYMENT

A \$750 non-refundable deposit is required to reserve the Crystal Ballroom; a \$250 non-refundable deposit is required to reserve the Lexington, Monroe, Winston, Salem, North, or Ivy room. A \$500 non-refundable deposit is required to reserve the Grand Ballroom. 50% of the balance is due 30 days prior to the event date. The remaining balance is due three days prior to the event date.

BILLING

Direct Billing: The direct billing option is available for organizations and groups who have the appropriate references and documentation. A direct billing application must be completed and be received no later than 30 days prior to your event. Direct billing applications are subject to the approval of our accounting department. Social events are not eligible for direct billing.

All non-direct billing accounts require a valid credit card and deposit at time of contract. The card will be pre-authorized at least 4 days in advance of the event as a guarantee of payment and to cover any additional expenses that may arise during the event. If there are no additional charges the authorization hold will be released and the card will not be charged. However, any outstanding balance will be charged to the credit card on file.

For social events, 50% of the final estimated bill will be due 30 days prior to the event. The remaining balance must be paid no less than 3 business days in advance with your final guarantee, unless previous billing arrangements have been approved. For all non-direct bill events, full payment is required three (3) business days before the event to avoid cancellation of the event.

CONTRACT CANCELLATION

Contract cancellation requirements are outlined in each individual contract. Please refer to your contract for your cancellation timeline. Cancellation of an event must be made verbally and in writing to the Catering Sales Manager. All deposits are non-refundable.

GUARANTEE POLICY

For all functions, the hotel must have specified attendance three (3) working days prior to the event. This number will be considered a guarantee, not subject to reduction, and charges will be made accordingly. We will charge for the guarantee or the number served, whichever is greater. If no guarantee is received by this office in the time required, we will consider the number of guests initially indicated on the banquet event order as the guarantee. The hotel cannot be responsible for service of more than 3% over the guarantee.

LIABILITY

Village Inn Event Center reserves the right to inspect and control all private functions. Liability for damage to the premises will be charged accordingly. You will be responsible for any damages to any part of the hotel during the time period for your event and for any person under your control or contractor hired for the event. Loud, lewd or vulgar behavior is not permitted. The hotel may require the client to contract additional security at their expense. Village Inn Event Center reserves the right to cancel any function if management determines that there has been misrepresentation in the booking.

The hotel cannot assume responsibility for personal property and equipment brought on the premises, as well as equipment, materials or persona; property left in the hotel prior to, during, or following any function.

DECORATIONS

The hotel will not permit the affixing of anything to the walls, floors or ceilings with push pins, nails, staples, carpet tape or other substance. Prohibited decorations include throwing of confetti, bird seed, rice and glitter inside the property and use of silly string. Failure to comply will result in a \$250 cleanup fee. Live flame candles are not permitted on the property.

For social events, the hotel staff is happy to assist with certain preparation, including placing pre-assembled favors at each table setting and lighting candles. Services NOT provided by the hotel include: Installing chair covers, assembling and/or placing centerpieces provided by the guest and arranging and/or distributing place cards. In certain circumstances, the catering staff may agree to provide one or more of these services at an additional cost.

MEAL TIMES

Meal service must be scheduled prior to 2:00p.m. to be considered a lunch event. If the client delays an event for more than 30 minutes past the contracted start time or meal service time, the hotel will not be responsible for the quality of the food or preparing additional food replacement. Buffets service will end at the original contracted meal period end of service time. The client will be responsible for additional labor associated with the delay and overtime on banquet servers will be charged if the function has gone over the contracted time.

STATE TAX

Please note that the State Sales Tax is calculated on total charges incurred, including the banquet service charge and room rental. State law requires this due to it being a service charge and not a gratuity.

FUNCTION SET-UP

Meeting room set-up requirements must be finalized 48 hours prior to scheduled time of the function. Any changes after this time will assess a fee based on the extent of the set-up charge made to the meeting room during the course of the event.
