Insurances

We require our clients to purchase general liability insurance.
Liability insurance protects you from responsibility for any accidents or injuries during your ceremony or reception.
This extends to alcohol-related incidents.

You can usually check your own home insurance policy to purchase rider insurance or special event insurance that covers injuries and venue damages the typical cost for a policy like this is between \$130-180.
Otherwise, we recommend wedsafe.com.

We require \$1M general aggregate / \$1M per occurrence including property damage. Proof of insurance must be provided to us via email at least 48 hours before your event date.

Secure the Date

To secure your date a **nonrefundable** deposit of \$1,250 (*25% of the venue fee*) will be required at time of signing; payment can be made by cash, check or credit card.
The remaining total balance must be paid 14 days prior to your event.
