AT CAMP FIRE

Imagine saying “I do” in a beautiful natural setting and creating the memories of a lifetime. Camp Fire Minnesota’s indoor and outdoor spaces provide the perfect canvas for your special day.

Take a Virtual Tour and contact us at [campfiremn.org/weddings](https://www.campfiremn.org/weddings).

## SURROUNDED BY NATURE

Located on the shores of Lake Minnewashta in Excelsior, MN, Camp Fire Minnesota is 103 acres of Big Woods, natural prairie, pollinator garden, lakeshore, wetlands, and hiking trails.

## RUSTIC CHARM AND HISTORY

Founded in 1924, Camp Fire’s property is full of charm and history, including a preserved outdoor fireplace from the original Dining Center on the terrace of the Community & Dining Center and custom-built benches in the Heart of Camp gathering space. Rustic (electricity-free) cabins provide lodging in the warmer months and a charming campy setting for photos and gatherings. Additional heated spaces, Bluebird Lodge and the Community & Dining Center, are available for getting ready with your parties.

## MODERN FACILITIES

Built in 2020, the Community & Dining Center features floor-to-ceiling windows to keep your guests feeling close to nature, indoor gas fireplace, outdoor wood-burning fireplace, deck and terrace outdoor spaces, AV, kitchen, gender neutral restrooms, and flexible seating for up to 200 guests inside.

## DIY

Camp Fire is yours to create your dream wedding! Weddings have “exclusive use” contracts; no other rental group will be using the property so you can add your special touches throughout. Choose your own caterer and vendors; we can provide a preferred vendors list.

## AVAILABLE SEPTEMBER-MAY

Camp Fire is available to rent in months outside of summer camp season. From the stunning fall colors to a majestic snow-covered winter wonderland to the budding wildflowers of springtime, your guests will enjoy outdoor spaces paired with the coziness and comfort of our modern Community & Dining Center. Add cabins to your rental for additional lodging and hosting space for you and your guests.

*Whether you imagine a simple wedding in the forest or an elegant indoor celebration, we can help bring your dream to life.*

## YOUR WEDDING ENSURES MORE YOUTH CAN CONNECT WITH NATURE

When you rent Camp Fire Minnesota, you directly help us create more opportunities for young people to connect with nature through summer and school break camps, and environmental education field trips.

*Camp Fire Minnesota is a 501-c3 nonprofit organization.*
