Economy Event Music Package- \$100 per hour (2 hour minimum)

We understand that there are some who don't need, or simply cannot afford a Pro DJ/MC Package. Our Economy package provides professional sound equipment and an experienced Pro Sound Tech to set it up and run it for you. This does not include an experienced DJ or MC. You will provide Spotify playlists for our sound tech to play for you. We also have many [PUBLIC SPOTIFY PLAYLISTS](#) available for you!

Includes all the following Professional Event Services

- Professional Sound Technician to set up and operate equipment and make sure sound levels are monitored and music is played at appropriate times. You will not have to attend to the music and sound system. That will be handled for you by a professional.
- Professional Grade, High-Quality sound equipment designed for events up to 80 guests. (Generally, a single 15" 1000 watt Pro grade powered speaker with a mixer- different venues may require different systems with added fees- speak with us directly for details)
- All local travel, loading and set up included * (Some restrictions apply- See details at bottom)
- Hand-held wired microphone for toasts and speeches at main set up location. Sound tech can make minimal announcements if you like.

Individual Option Pricing

- **Dance Floor color wash lighting- \$100** Studies show that guests are far more likely to dance with colored lighting as opposed to white lighting. (It's science :)

[CLICK HERE FOR DANCE FLOOR LIGHTING SAMPLES](#)

- **Uplighting-\$20 each fixture** Wireless RGBAW+UV Uplighting fixtures with your choice of color highlighting the reception location (Some color restrictions apply. Speak with Michael for details)

- **Additional sound system to provide music at a second location- \$100** If you need a second sound system for a Cocktail location this is the fee to set up an additional sound system location at the venue. Same venue located within 30 yards of the Reception set up
- **Satellite speaker connected to main DJ set up- \$150** This provides a speaker connected wirelessly to the main DJ system that allows guests to hear

music and announcements in an adjacent room or porch/patio area. (NOTE: Wireless technology has limitations. Please discuss your plans with Michael to see if they are viable for this option.)

- **Projector and screen for slideshows- \$200** New option for 2020! **3000-Lumen projector** and screen allow you to personalize your event. Just email us the slideshow and we will handle the rest! Can also project from iPhone. Can also provide moving Monograms.
- **Upgraded Sound Equipment designed for events with up to 250 guests- \$150** This upgrade adds a powerful subwoofer to support the deep bass needed for dance music in larger venues or outdoor locations. You may choose not to upgrade your sound system if you like, but we cannot guarantee the volume and bass for larger groups and venues. Please ask Michael about this option if you have a larger group.
- **Wireless hand-held or lapel mic for Reception location-\$60** Our packages include wired handheld mics at the DJ set up location for speeches and toasts. If you feel that you will need a wireless mic to move around the room this option will give you that.
- **Additional travel fees vary. Please reach out to me and let's see what we can pt together for your specific event!**

Important Notes below-

*This sheet is a guide only. Details and pricing are subject change without notice. **Pricing shown is for local events within 20 miles of 29456 zip code** (Ladson SC). **Stairs, rough terrain, off site or remote parking and/or venue fees may also affect pricing.** Downtown venues often include parking and loading challenges that may affect pricing for all vendors. In this price we must be able to park and load/unload within the venue parking lot. Be sure to discuss your venue requirements with Michael Peifer to determine if there are challenges that need to be addressed.
