TownHall Texas Weddings Overview

At TownHall Texas, we strive to make you feel like part of the TownHall family by making sure your wedding is as smooth and stress-free as possible with our flexible options, abundant inclusions, and reasonable prices.

All wedding rentals include EXCLUSIVE 17-hour access to our entire 10-acre property including your choice of our 3,000 square foot rustic dance hall, Lone Star Hall, which can accommodate up to 100 guests, or our brand new 6,000 square foot modern farmhouse, San Jacinto Hall, which can accommodate up to 225 guests.

In addition, you'll have access to all four of our unique ceremony sites: our Open-Air Chapel gives you the best combination of outdoor and church ceremony; the Palapa on the island of our stocked pond keeps you cool all through the summer and has a beautiful custom arbor; the Gazebo is the perfect spot for a more intimate ceremony under the lights; or our Old Western Town is the perfect rustic backdrop for your ceremony. No matter which option you choose, you'll have access to all of them for photos, or to set up other activities throughout the day!

When you arrive, the girls can head to their cabin to relax and enjoy mimosas before getting ready for the big day, while the guys play a game of pool in their cabin or see who can catch the most bass in our stocked 2-acre pond! With access starting at 8am, there's no rush to get started as soon as you arrive.

You'll be able to party as late as midnight, plus have an extra hour, as late as 1am, to pack everything up from your wedding and the cabins.

If nothing is booked the day before your event, you'll even have up to 4 hours to do a rehearsal, drop items off, and start decorating!

TownHall Texas Property Overview

Reception Halls

Lone Star Hall is where it all began! Our rustic dance hall started out as a man cave, then transitioned to a music venue, and has been making countless wedding memories for over a decade!

This climate-controlled barn can accommodate up to 100 guests seated comfortably with a dance floor. With antique signs galore, this hall is bound to stir up some memories for you and your guests!

Our custom-built wood bar is one of the focal points of this building, as well as our lit stage backdrop, making it a great location for your sweetheart table!

Be sure to step outside and enjoy 700 square feet of covered porch space while you watch the sun set over the pond. This is the perfect space for a more intimate rustic wedding!

San Jacinto Hall, our brand-new modern farmhouse, is over 8,700 square feet under roof, including beautiful covered porches that wrap almost all the way around the building and can accommodate up to 225 guests.

The porte cochère on the front is a convenient, covered spot for unloading and loading or for guest drop-off!

The hall features an incredible 21-foot-long custom bar with black quartz countertops and a serve-through window to the covered 12' back porch overlooking the pond.

With a 28' high galvanized metal ceiling, your wedding colors come alive with uplighting and the light gray walls and black accents give you a blank space to make your own!

Our annex on the west side of the building holds our catering kitchen and restrooms.
