FREQUENTLY ASKED QUESTIONS

Is it possible to hold our wedding ceremony in the event space?

Certainly! We are happy to accommodate couples who wish to hold their wedding ceremony with us. An additional \$300 fee will apply.

If we are hosting our wedding ceremony with Rock Events, would it be possible to arrange for a rehearsal beforehand?

Feel free to reach out to us two weeks prior to your wedding date and we will do our best to accommodate your request for a ceremony rehearsal. We will work with you to schedule a suitable date and time, taking into consideration the availability of the venue.

Is it necessary for us to hire a professional wedding planner for our ceremony and/or reception?

Our team is highly involved in the planning process, but we do require that you collaborate with a professional wedding planner for month-of coordination at a minimum. The responsibilities of the planner include overseeing your ceremony rehearsal (if applicable), liaising with vendors onsite, managing your schedule, and ensuring the collection of any gifts or wedding items at the end of the evening. We are more than willing to suggest a planner or you are welcome to select your own professional planner.

Are we required to use one of the caterers from your vendor guide?

Yes, it is a requirement to select one of the caterers listed in our vendor guide. We're confident our preferred caterers will offer you an exceptional experience and a high standard of service.

Is it necessary to rent tables, chairs, dinnerware, and other items?

The venue is equipped with some furniture. However, depending on your desired event layout, you may consider renting additional tables and chairs. Please note that dinnerware and decorative items like table linens and centerpieces are not provided and would need to be rented separately. For a list of our recommended event rental companies, please refer to the vendor guide on page 5.

Is it possible for us to access the space a day prior for load-in or a day after for load-out?

Please consult your event sales manager to verify if load-in or load-out rental is available (additional charges to apply).

When must my event conclude?

Your event activities should end no later than midnight.
