An extraordinary event center

About Us

Oasis at Wild Horse Ranch is a family owned and operated, twenty-acre, private event center sitting high above the city and surrounded by lush desert. Built in the 1890's, this is the oldest guest ranch in the state. The intrinsic beauty, rich history, and multiple facilities make the ranch a perfect place to hold unforgettable events. Our all-inclusive package makes wedding planning easy, and can be tailored to fit any size group or budget.

Let me start off by saying the folks at Oasis are amazing and will take care of you from start to end. The planning process was seamless. Being an out of state bride, they were very flexible with the planning meetings. The day of the wedding was a breeze. The decor was great, the food and drinks were AMAZING, the service was outstanding, and they were very attentive. They made our day wonderful. ”
