# BOSS VIRTUAL REALITY

Thank you so much. Your team were consummate professionals and Boss Pro Karting exceeded all our expectations. The (team) can't stop talking about it. .... I can't wait to schedule another event soon.

**Marty - Manager  
CLE CLINIC**

ABOVE and BEYOND! We hosted an event for our sweepstakes winners from around the world during All-Star weekend. Our guests absolutely loved it. Food, drink and staff were amazing. The attention to detail put into it was second to none. The presentation of the trophy (which everyone signed) with our logo on it was AWESOME! Boss Pro-Karting was extremely flexible as well during these trying times. Truly an amazing experience!

"Brad, GREAT JOB on our sales meeting! Your facility was top notch, as good as any I have used. The way you integrated our brand into everything was amazing. Our customers were thrilled. They will remember us and this event forever! THANK YOU!
