OUR HOW

To create an affordable five-star experience with a user-friendly website, eclectic choice of amenities, and excellent service that encourages word-of-mouth marketing

OUR WHY

We exist to glorify God by using property to promote business, community, and education.

OUR CULTURE

Renaissance is a place of professional excellence, five-star service, and gracious hospitality.

OUR CORE VALUES

1. Family

Being a family makes us passionate for others. This promotes trust, loyalty, and love. It's the glue that binds us to guests and co-workers. Our attitude and assets promote this familial spirit in the community.

2. Honesty

Honesty demands we charge a fair price with no hidden fees. We must not overbook nor over-promise. This integrity must rule our relationship with guests before and after the event.

3. Excellence

From décor to the smallest amenity and service, we strive to be first-class.

4. Wholesomeness

In a day when immorality pervades the industry, we offer entertainment that embraces, cherishes, and promotes virtue.
