Frequently Asked Questions (FAQ)

What choices do you have on food (catering)?

Our standard rate (\$25/person) includes your choice of Homestyle (1 meat, 3 veggies), Mexican bar, Pasta bar or BBQ. This includes drinks (tea/water), along with all dinnerware (plates, utensils, cups, napkins)..

How many people can your event building hold?

Our event building will easily accomodate 200 guests. If you require more, we can add outdoor or tented seating as needed.

Does your building have heating/cooling?

Yes, our event center is 3600 square feet and climate-controlled (heat and cooling). Your guests will be in complete comfort.

What is your alcohol policy?

We do allow alcohol service with any licensed and insured bar-tending service of your choice. Outside alcohol, brought in by guests is never allowed.

Do you take care of cleanup or do we?

We take care of standard cleanup. If cleanup requires more than 3 hours (exceptionally dirty), it will be billed out at \$150 per hour. There is a \$500 security deposit required, which is returned to you once the property is left without damage and without exceptional cleanup required.

When can I get in the building for setup and decorations?

Our standard packages begin at 9am, the morning of your event and run through 11p, when guests (and vendors) must be gone from the premises. The entire weekend can also be purchased. You are welcome to decorate as you wish but we do not allow nails, screws or duct tape to be put into the building structure. We recommend the use of zip ties and Commando adhesive strips.

What is your policy regarding Covid-19?

You will never lose your deposit with us. If your date has to be moved because of another shutdown, then you simply pick a new date and we'll apply your deposit to that date (up to 1 year out). The package deal you get will be the same for the new date, no increases. The same rule applies in the case of military deployments. Just pick a new date, and we'll do it then. We care about you and your special day and we'll do everything possible to make sure it happens, just as you dreamed.

What does "all-inclusive" mean?

We're taking a different approach and offer a true "one stop shop", to make things ultra-easy for your special day. Our packages do include venue, ceremony site, tables, chairs and linens, but we also include string lighting, uplighting, dance floor lighting, cake spot, In addition to the above, we also can take care of your catering (food), photography and photobooth.
