ENGAGEMENT

Session Ideas

An amazing location idea can be simple and fun!

Let's try to get romantic by choosing something sentimental and/or creative! The engagement shoot location can be anywhere that strikes meaning with you as a couple! We have come up with some ideas below that you can easily use.

Where you first met

Whether your first meeting was a discussion at a library or fumbling for the door at the local coffee shop, going back to your beginnings is a marvellous memory.

A Romantic Beach

In the morning, afternoon, or any time of day, the sea meets an endless sky for a feeling of forever.

Downtown Urban Setting

Fun and funky pictures in alleyways, undiscovered locations or in your area make for a more intimate view of the city

Vintage Theme

Bring out your nostalgic side with some dramatic, edgy, and modern shots.

A beautiful Farm

What's not to love about rusty farm machinery, old barns, chicken coups, and green fields as a gorgeous backdrop.

Proposal Location

After all, what better way to capture an engagement than the location it took place.

WHAT'S YOUR STYLE/APPROACH TO WEDDING PHOTOGRAPHY?

First and foremost, we consider ourselves storytellers. This means that our style is primarily documentary (candid photos and real moments) with editorial elements brought forward when it comes to your wedding portraits. Our style is always very much influenced by the unique personalities and dynamics of each couple we work with. Since every wedding (and every couple) is so unique, we take a collaborative approach, combining our own artistic eye with the vibe of each couple. Your wedding day isn't a photo shoot and we strive to create authentic and sincere imagery without distracting from this hugely important day in your lives. We love shadows and silhouettes, movement, grain, deep tones, vibrant colours and images that provoke emotion.

HOW LONG DOES IT TAKE TO RECEIVE OUR FINALIZED PHOTOS?

Usually it takes about 2-3 weeks to complete all the editing and special finishes. The time it takes to complete and deliver all the photos is generally dependent on the season and all of the photo sessions we currently have to edit. All photo sessions are prioritized in order of date.

Please keep in mind, that perfection cannot be rushed.

HOW MANY PHOTOGRAPHERS WILL BE AT THE WEDDING?

All packages include one photographer. You can request a second photographer for an additional fee.

DO YOU PHOTOGRAPH DESTINATION WEDDINGS?

Yes! We love to travel and capture beautiful memories along the way! Please specify this during your consult and we can discuss all the necessary details then.

HOW AND WHAT DO WE NEED TO BOOK THE DATE?

Please contact us via email, or telephone to book your consult. A non-refundable retainer of \$750 is required to solidify a date on our calendar. The balance is to be paid two weeks prior to the wedding date.
