You are fantastic at what you do and because of you this wedding was perfect! I loved dealing with you!!!!

The food - OMG, so delicious and such generous portions even the large guys said they were full. I was confident that Chef Thomas would do a good job, but this wedding meal was outstanding! Cassandra and the serving staff - So efficient, Cassandra was so on top of everything - she is so conscientious and did such a great job making sure everything went smoothly - and it did! Service was great by all. Bartenders were also so quick and friendly to the guests. I can't say enough about everyone involved. - This wedding was perfect - Thank you Larter's!! I will also mention for over 25 years of my career, I hosted many corporate functions in Western Canada, and dealt with many Venues. Larter's staff do an amazing job! Definitely one of my best experiences in working with a venue.

Hi Kendra-Dee!

We had such a wonderful time on Saturday, things couldn't have gone any better! We have nothing but great things to say about you and your staff: Servers were so accommodating and always had a smile. Even though they had masks on I could tell that they were smiling 😊 The bartender was super! I didn't get a chance to interact with her but Wade said she was awesome. The food was excellent so please thank Chef Parry for us. As I went from table to table I asked how everyone enjoyed their meals and everyone loved the chicken and the portion was unbelievable! My two vegetarians also couldn't stop raving about their meals as they are so use to getting pasta.

Wade and I would also like to thank you especially for your support and your very warm hospitality. You were so easy to communicate with via email (which worked out great for me!) and you had everything running so smoothly on Saturday. Your staff are a very positive group which can be traced back to you and the way you treat them. I saw positive interactions and, in this day and age, it's so important that everyone is treated with respect for the work that they do no matter what it is. I really wouldn't have changed a thing!

Wade and Wendy

I can't say enough about how incredible our experience at Larters Golf Course was for our wedding reception. From the moment we decided to host our celebration there, everything exceeded our expectations. First and foremost, the staff at Larters Golf Course were an absolute pleasure to work with. They were not only professional but also genuinely friendly and accommodating. Kendra-Dee, in particular, played a pivotal role in making our vision come to life. She was there for us every step of the way, offering guidance, support, and solutions to any challenges that arose. Her dedication and attention to detail truly set the stage for a flawless event. Cassandra ensured that the event went off without a hitch and did a good job adjusting to minor changes on the fly. She ensured that any requests that were made were quickly dealt with and that everyone got a share of the food that was passed around. The venue itself was stunning. The picturesque surroundings of the golf course provided a beautiful backdrop for our celebration. The well-maintained grounds and pristine area surrounding the clubhouse created a tranquil and enchanting atmosphere that our guests couldn't stop raving about. But it wasn't just the aesthetics that impressed us; the food was out of this world. The culinary team at Larters Golf Course deserves high praise for their creativity and skill. Our guests were treated to a culinary journey, with every dish bursting with flavor and presented with elegance. Our reception couldn't have gone more perfectly if we tried. We both want to extend our sincere gratitude to everyone that helped make the day as special as it was. Thanks, Matthew Stevenson

OMG!!!! It was the most PERFECT evening! The room was beautiful, the meal was absolutely delicious and so generous and the staff so pleasant and attentive. We heard so many wonderful, positive compliments about ALL of the above. The ceremony was beautiful, we had musicians come in to entertain, and there was dancing and singing and most of all so much fun, laughter and visiting. We couldn't of asked for anything more. Your attention to detail and I will be forever grateful for your calm reassurance to me. THANK-YOU, THANK-YOU, THANK-YOU! You made the anniversary celebration that Penney and Dave wanted come true. We will be back!

Hi Kendra Dee,

My Birthday was perfect. The table was so nice, and everyone commented on the personal Menus. Before our dinner, we had a professional photographer take pictures of the family around the first tee box, incorporating the fence, etc. I felt like I was a Bride. I can hardly wait to see the proof. We then went into the Private Dining Room and had bruschetta appetizers which were delicious. And then came the meals, which were totally decadent. Cindy did an excellent job looking after us which made the evening one to remember. Thanks, Kendra, for all your help. Hugs Bev

Thank you so much for the awesome service and great food we had on Friday. My parents were happy and that was thanks to your crew and Chef Thomas. We love coming to your venue and definitely will come again to party. Thanks to your serving crew for being so diligent in making sure our needs were met. Hope you are having a good weekend. Thank you so much!! Everything turned out beautifully. We got so many compliments on the food and professionalism!! It was great working with you! Sincerely, Elaine

Good morning, Kendra-Dee The World's Greatest Event Planner!

Trust all is well with you, and you had an enjoyable weekend. We sure did. Always give credit, where credit is due, is a mantra we live by. First and foremost a huge "Thank-You" to you for an absolute "Splendid / Fantastic" job in looking after our 50th Anniversary function at Larters from start to finish. We fully realize that it takes the work of many people, from various areas to roll out such a "First Class" experience. Please pass along our sincere "Thanks and Appreciation" to everyone involved in the process. The two servers that looked after us were "Top Notch". Head Chef Thomas did an amazing job with the food experience (quality and quantity). We had so many comments from our guests about the excellent meals. You clearly, however, are the person that makes all of this happen, in such a flawless manner. A true "Professional" in every way. Hats off to you Kendra-Dee Merci! Sincerely, Dana Lee and Edwin

It was such a pleasure having our retirement celebration at Larters in St. Andrews! Kendra-Dee our event coordinator was so helpful from the planning to the wrap up of the party! The chef Thomas Perry put out a spread like I have never seen of top-quality delicious buffet selections that everyone thoroughly enjoyed! What added most to the whole experience was the awesome personality of all of the staff Thomas the chef takes pride in what he does, and it show, his crew of staff smiled and carried out their duties professionally and were super friendly. I would so highly recommend Larters for any event, especially with Kendra-Dee's expertise planning skills and Thomas Perry the chef and his crew! Thank you again for making Sharon's retirement a smashing success!! Sincerely, Rita

On behalf of our children, their spouses, our grandchildren and our great-grandchildren we want to say a big "Thank you!" for helping us celebrate our 60th anniversary in such a wonderful and memorable way.
