Hey there! Congrats on your engagement!

You're probably overwhelmed with all the wedding information out there, but don't worry, you're not alone. We believe in education and transparency, so you feel confident in the choices you make in this process.

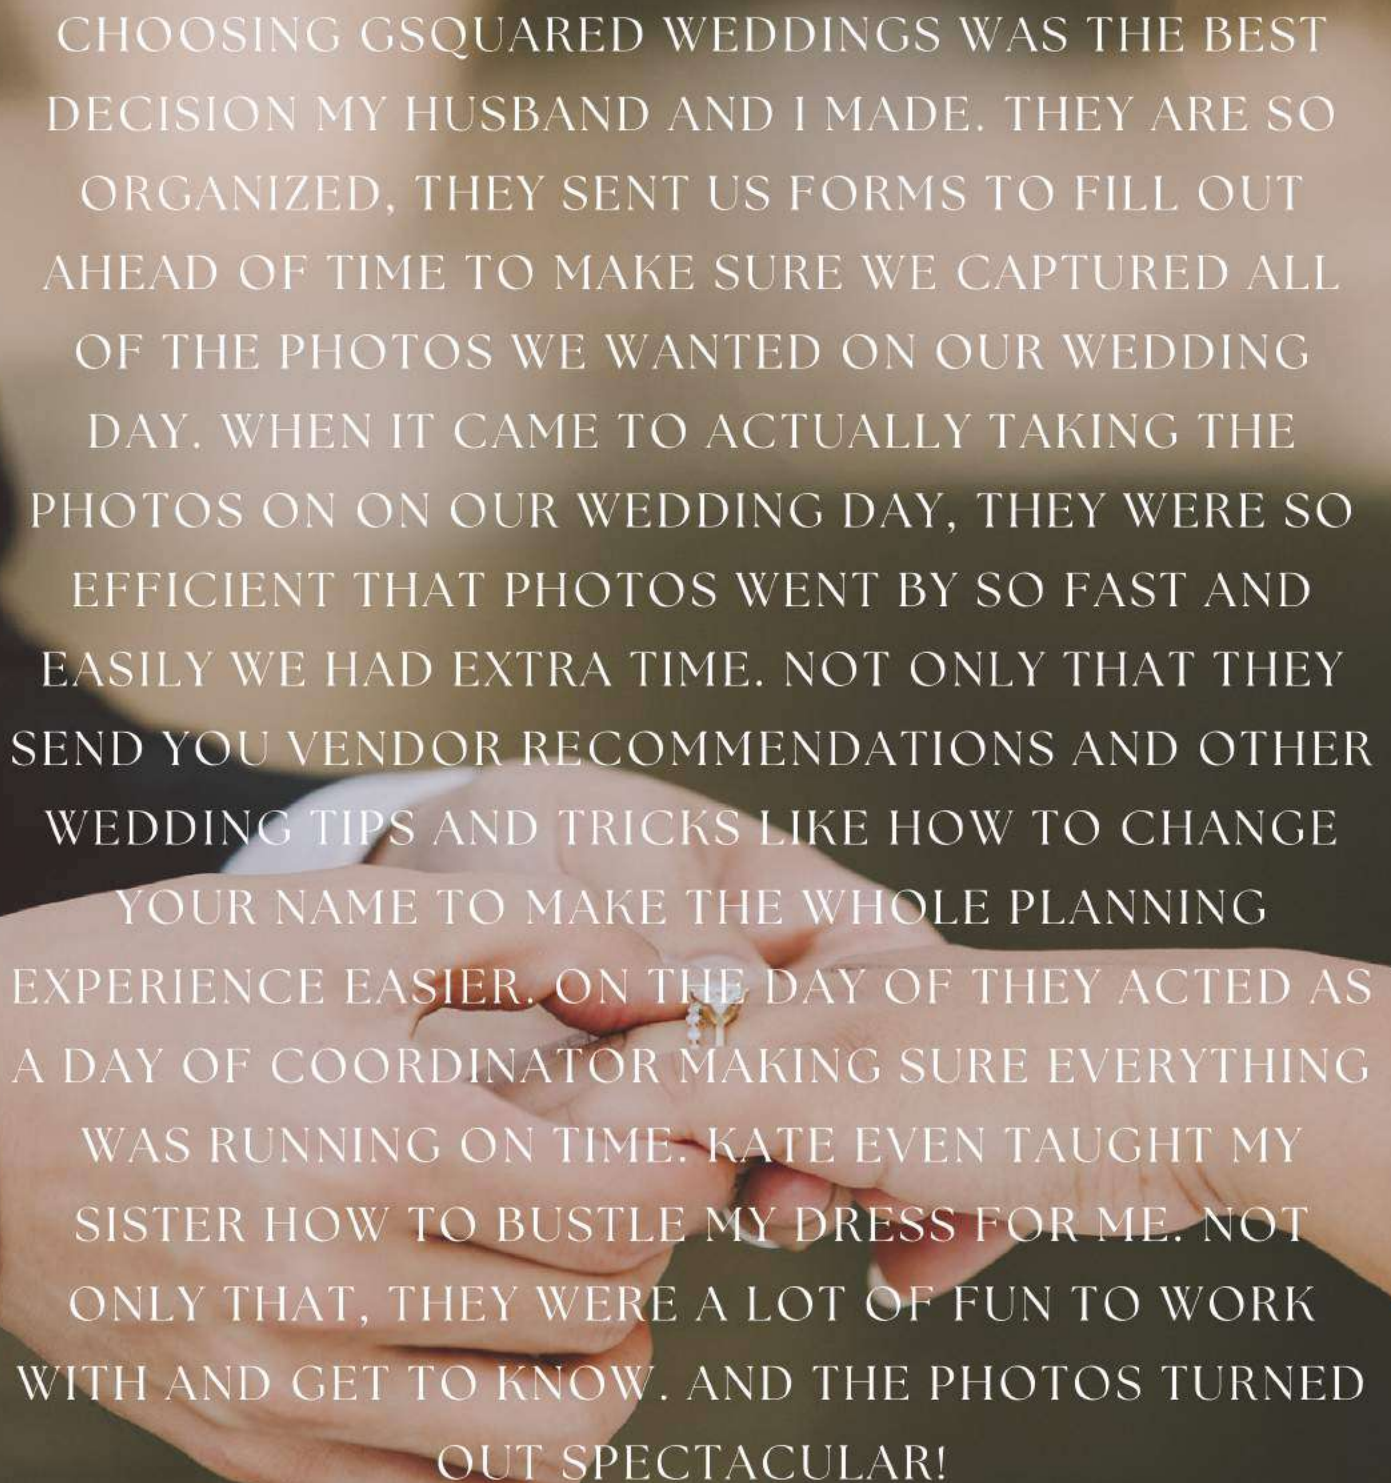

It is our mission to make your wedding photography experience feel EASY. We use a guided posing experience along with a documentary approach to make sure you find a new favorite every time you look at your photos for years to come.

We provide lots of guides and resources in a personalized portal for all of our wedding clients, so you can access things whenever you're ready for them, and it will help us provide that personalized photo experience you're really looking for.

We also provide sneak peeks from your wedding day within 48 hours, and our full gallery delivery time is super fast, too! You have print rights, and can download and share however you'd like (and with whoever you'd like as well). We are HEAVILY candid, so you'll get to experience all of the emotions from your wedding day throughout your gallery.

Based out of Snohomish, WA, but we work with couples all over the globe. If you have a destination wedding, we love to travel!

We're so excited to get to know you,
Kate & Josh

CHOOSING GSQUARED WEDDINGS WAS THE BEST DECISION MY HUSBAND AND I MADE. THEY ARE SO ORGANIZED, THEY SENT US FORMS TO FILL OUT AHEAD OF TIME TO MAKE SURE WE CAPTURED ALL OF THE PHOTOS WE WANTED ON OUR WEDDING DAY. WHEN IT CAME TO ACTUALLY TAKING THE PHOTOS ON ON OUR WEDDING DAY, THEY WERE SO EFFICIENT THAT PHOTOS WENT BY SO FAST AND EASILY WE HAD EXTRA TIME. NOT ONLY THAT THEY SEND YOU VENDOR RECOMMENDATIONS AND OTHER WEDDING TIPS AND TRICKS LIKE HOW TO CHANGE YOUR NAME TO MAKE THE WHOLE PLANNING EXPERIENCE EASIER. ON THE DAY OF THEY ACTED AS A DAY OF COORDINATOR MAKING SURE EVERYTHING WAS RUNNING ON TIME. KATE EVEN TAUGHT MY SISTER HOW TO BUSTLE MY DRESS FOR ME. NOT ONLY THAT, THEY WERE A LOT OF FUN TO WORK WITH AND GET TO KNOW. AND THE PHOTOS TURNED OUT SPECTACULAR!

MEET JOSH & KATE

Hello! We are Josh and Kate, the husband and wife team behind GSquared Weddings.

We've done over 500 weddings together since this all began back in 2011. It's been the best part of our lives aside from our kids, of course.

Speaking of kids, we have 6. Our oldest is 24 (and engaged!), and our youngest is 14. We also have a bunch of pets - a dog, two cats, 4 tanks of fish, and 2 guinea pigs. Thank goodness we have 9 acres!

We love to travel and spend a few weeks every year in Montana and Florida.

Josh was formerly a commercial printer and now runs a machine shop - he is absolutely meticulously detail oriented. He's also amazing at predicting moments before they happen. Kate calls him the King of Candid.

Kate is a self-proclaimed detail whore. She loves photographing food, drinks, cakes, flowers, all the little things that make the day "extra you". She is also super calm in chaos, and has a reputation for making everyone feel relaxed.

OUR PROCESS

INQUIRE

When you inquire, we check our calendar and then send you this sweet little guide if we're available for your date.

Next, you can set up a consultation with us. We can do in person, Zoom, or a phone call. Or you can just book us if you don't feel that's necessary, that's ok too!

BOOKING

When you decide to book, you'll send over both of you & your fiance's first and last name, package choice and payment plan choice.

Then, we'll send over the contract and invoice. Once signed and paid, you're on the books and get access to your portal. If you book an engagement session, we'll schedule that now.

THE WEDDING

Just before the wedding, we go over your final questionnaire and family list and get ready to make magic

We show up about 90 minutes before you get dressed, have an amazing time photographing your wedding and stay til your special exit.

AFTER THE WEDDING

We send you (and post on social) your sneak peeks within 48 hours. You can share, download and print these. The link will also live in your portal.

Your contract says up to 10 weeks for gallery delivery, but we rarely take that long. Once your gallery is done, we will send you an email and link them to your portal. You can download, share & print - and we keep them online for you for awhile.

OUR MISSION

We believe:

- That you have the right to see sneak peeks of your wedding within days of your event.
- That our job is to protect your vision for your wedding day AND the experience that each of you have on your wedding day.
- That you have the right to a wedding that reflects and embodies your personal self and love story as you see fit.
- In the excitement of finding your “One” that you will build a lifetime of memories with.
- That Love is for everyone. EVERYONE. We are LGBTQ+ friendly and BLM supporters.
- That every couple should feel comfortable, relaxed, and at their best on their wedding day, and that this comes from a quality relationship with every couple.
- That your love story continues past your wedding day, and because of that you will always be a member of the GSquared Weddings family.
- That you have the right to information – authentically and transparently – about every aspect of your planning process, and that it’s our job to help you get that information when at all possible.
- That this day is about your relationship with each-other, not your relationship with our cameras.
- In love that is filled with inside jokes, memories, laughter & the little things.
- In the importance of your support team of family & friends.

These beliefs motivate our business.

We strive to seek out images that are unexpected, to find moments you may have missed: dancing flowergirls, laughing friends, quick hugs or a smile across a crowded room.

We get to know the important people and document their experience on your day as well as your own. We look for angles and perspectives that most people don't notice, and we do this in a way that holds your wedding day vision's integrity in high regard.

We strive to be both connected and ninja-esque on your wedding day. We're well trained in reading signals, and try to be within eye-sight of our clients at all times – even if you don't necessarily see us, we can see you.

We spend the majority (not all, but most) of your portrait time without you looking at our cameras. This day isn't about us, its about you, enjoying each other, and being MARRIED!!

We know that the family & friends that you've chosen to be there on your day are incredibly important people. We strive to create relationships with them (and your vendors) because we know that their experience impacts your day, too. We will do our best to love on them as much as we do on you!

We strive to be resources for more than just wedding photography. We know that you've never done this before, and this industry is filled with the belief that you should just know how it all works. We have helpful articles, pinterest boards, and e-mags to help you find the information you need when you need it, not to mention TONS of vendors we can recommend. The more informed & knowledgeable you are, the better your planning, and ultimately your wedding day, will go.

We help you build your wedding day timeline, so that not only is there enough time for the important things, but also a few moments for you to breathe, spend time with your new spouse, and to get the creative images you want.

We don't consider ourselves just photographers – we are the ones there with you for most of your day and probably are the most experienced (aside from your coordinator, if you hire one) with being at/participating in the behind the scenes of actual weddings. We are support people, helping hands, and guides. We will do what it takes for your day to be the best it can be – after all, our goal is to make sure your day is a beautiful, memorable experience in your love story.

FAQ

You have questions. We have answers.

HOW DO WE GET OUR PHOTOS?

Your photos will come in a digital gallery. You can select favorites and download that list, or download your entire event. Your images are available in full-res (but compressed with lossless compression) and social media sizes. You can save them to your computer, phone, tablet, and backup system. Share them with whoever you want!

WHAT'S YOUR STYLE?

We are a mix of documentary and guided posing. Most of your day, we strive to be ninja-stealth and unnoticeable, but when it matters we will definitely guide you and your loved ones so that you look and feel your best. Even if one of you is a “Chandler Bing”

ARE YOU LICENSED AND INSURED?

Yes, absolutely! Please let us know if your venue needs us to send them our proof of insurance or to have them added to our coverage for your event.

ARE THERE ANY DISCOUNTS WE SHOULD KNOW ABOUT?

We offer discounts when you're booked at a handful of our favorite venues or are using one of our favorite planners. You can also get a discount if you pay your wedding photography in full when you book. Most of our discounts can't be combined, but we'll let you know if that's the case.

DO YOU OFFER PRINTS OR ALBUMS?

We do! You can order prints, canvasses, or cards through your gallery. If you'd like to order a photo book or album, we have a different site for that and a TON of options from simple to luxurious, or even adorable Tiny Books!

FAQ

Send us a message. We are always happy to help!

DO YOU TRAVEL FOR DESTINATION WEDDINGS?

We do! Most of the continental US travel is already included in our pricing, but we would love to give you a custom quote for your destination event (and yes, we can travel internationally as well!)

DO YOU ALSO DO VIDEO?

We don't offer video ourselves, but we can send you a list of names of videographers that we absolutely LOVE working with that have an incredible storytelling style. We do recommend hiring separate vendors that specialize in photo alone and video alone so that they're able to focus on what they do best and you'll get the quality you want and deserve.

HOW FAR IN ADVANCE DO YOU BOOK?

We book weddings, on average, 18 months in advance. We recommend booking as quickly as possible once you inquire, because our open dates don't last very long.

HOW MANY PHOTOS WILL WE GET?

We promise a minimum of 50 images per hour of photography, but usually deliver closer to 100 images/hr.

WILL WE GET MOSTLY CANDID OR MOSTLY POSED PHOTOS?

We are heavily candid, so most of your gallery will be candid moments of your wedding day experience. Your posed photos are a mix of truly posed and interactive authentic movement posing.

IF ONLY I COULD GIVE 6/5 STARS, FOR IT IS TOTALLY DESERVED. KATE AND JOSH WERE INCREDIBLE TO WORK WITH, EXTREMELY TALENTED AND PROFESSIONAL. KATE AND JOSH ARE INCREDIBLE. FROM THE MOMENT WE HAD OUR FIRST CONSULTATION, I KNEW THEY WERE GOING TO BE A PERFECT MATCH. THEY TAKE TIME TO GET TO KNOW WHO YOU ARE AND WHERE YOUR INSPIRATION COMES FROM. THEY ARE MORE THAN YOUR AVERAGE PHOTOGRAPHER. THEY COME PREPARED TO CELEBRATE WITH YOU AS THEY CAPTURE MEMORABLE MOMENTS FOREVER! I BATTLE ANXIETY AND WAS SO WORRIED ABOUT HOW I WOULD HANDLE MY WEDDING DAY. KATE WAS ALWAYS THERE ENSURING I HAD MY WATER, KEEPING ME CALM WITH SMALL DISTRACTIONS, AND REMINDING ME OF SIMPLE DETAILS THAT SLIP OUR MINDS, FOR EXAMPLE WHEN IT'S HOT OUT, PUT DEODORANT EVERYWHERE, LOL! MULTIPLE TIMES THROUGHOUT THE DAY SHE JUST KNEW WHAT I NEEDED AND HAD IT READY, LIKE SHOES! THE WHOLE DAY JUST FELT LIKE I HAD ANOTHER FRIEND WITH ME. THEY ARE INCREDIBLY TALENTED, PROFESSIONAL, AND TRULY LOVE WHAT THEY DO. THEY LISTEN AND PLAN, ENSURING THEY DON'T MISS ANYTHING THAT IS IMPORTANT TO THEIR CLIENT. WE RECEIVED OUR PORTFOLIO SUPER QUICK, AND WE WERE SPEECHLESS. IT WAS LIKE RELIVING OUR DAY ALL OVER AGAIN, AND ALMOST IMPOSSIBLE TO PICK ONE FAVORITE. I HIGHLY RECOMMEND THEM AND WILL DEFINITELY HIRE THEM AGAIN FOR FUTURE SPECIAL EVENTS!
