Congrats on your engagement! We're thrilled at the opportunity to work with you to create a signature and personal wedding experience at Rackliffe House!

Overlooking Assateague Island and scenic Sinepuxent Bay, Rackliffe House is an ideal outdoor location for tented weddings, a true nod to our Eastern Shore heritage. Rackliffe House is for the couple who values a truly unique destination experience. Just minutes away from Assateague Island Seashore and Ocean City, our venue is sure to give you the most memorable wedding weekend. We have a maximum capacity of 225 guests, and we host a limited amount of weddings each year. This allows us to be fully immersed in your wedding and provide the best day possible for all our couples and their guests.

A little about us:

In the time since its construction in the 1740s, Rackliffe House has witnessed marauding Spanish galleons, Barbary pirate ships, and English men-of-war. The house has stood through the Revolutionary War, the War of 1812, and the Civil War. Today, thanks to the restoration efforts of the Rackliffe House Trust and the Maryland Department of Natural Resources, this historic site now serves as a coastal museum that interprets 18th-century life along Maryland's seaside. And of course, it also serves as the Eastern Shore's premier wedding venue!

Eventfully Yours is proud to partner with Rackliffe House in hosting and planning magical events on Maryland's Eastern Shore.

If you still have questions, don't hesitate to give us a ring or send over an email! We are here for you every step of the way.

Sincerely and Eventfully Yours,
Angie Smythe

FREQUENTLY ASKED QUESTIONS

Q: How much do weddings at Rackliffe House cost?

A: Weddings vary greatly in terms of cost; it all depends on your vision. Planning a wedding is like building a house: the possibilities are endless, and there are so many finishes to consider. To get a little more specific, we've done an average range of what Eventfully Yours couples spend on their big day. The overall cost per guest is most commonly in the \$350-\$1000 range. These figures do not include attire, rings, honeymoon, accommodations.

Q: How many guests can the venue accommodate?

A: Rackliffe House can comfortably accommodate 225 people, including your guests and vendor team.

Q: Do you host weddings all year?

A: Our most popular seasons are spring and fall, as these months have ideal temperatures and weather for weddings, especially outdoor ones.

Q: Are there onsite changing rooms for the bridal party?

A: Due to the historic nature of the house, it is not available for dressing use. Your planner can recommend local hotels, BNBs, and other alternative options.

Q: Can we host the ceremony at the venue?

A: Absolutely! The front of the home serves as a beautiful ceremony backdrop. This location can also serve as a cocktail party location. The views are breathtaking!

Q: What do we do in the case of inclement weather?

A: Wedding backup locations are a necessary concern in planning an outdoor wedding. Your tent will serve as your backup location in the event of rain. With more severe weather, such as hurricane threats and wind gusts over 40mph, another location will need to be considered for the event. Weather is closely monitored the week leading up to the wedding date, and if there is a potential need for relocation, this will be discussed and arranged through your planner with the rental company. Although infrequent, weddings have been relocated to local fire halls, family barns or residences, and other wedding venues based on availability. Don't worry, we will discuss your Plan B in the early stages of planning.

Q: Can I have a rehearsal?

A: Yes, you can schedule your rehearsal with your planner at a mutually agreeable time. Typically, rehearsals are held the day before the wedding and last approximately 1 hour.

Q: Am I required to have a wedding planner?

A: We do require that you have a professional wedding planning service to assist with the details and to make sure your day runs smoothly. Eventfully Yours provides Wedding Management (partial planning) and Full-Service Wedding Planning. If you wish to use an outside planner, we do require prior approval along with insurance information. All planners are required to be onsite for the duration of the event.

Q: Do you have a preferred vendor list?

A: While we do have a list of vendors compiled from years of happy clients and excellent experiences, clients are welcome to hire their own florist, photographer, videographer, baker, and any other required service professional. We only require the use of Coastal Tents and Events for rentals and tents.

Any vendors providing food service must offer full-service catering. It is required that they provide all necessary mobile kitchen equipment, service staff for the duration of the event, and trash removal.
