What People Are Saying

Everyone at Strock Enterprises Inc. was amazing. They strive to make your day so special and run as smooth as possible. The venue is beautiful, and the food is delicious. We got so many compliments on how great the venue was.

We had to get married inside due to rain but it was amazing to have it in the corn crib. Everyone talked about the wow factor of the big barn doors opening as my dad and I entered.

Paige (Bride)

The day couldn't have been more perfect. The facility was gorgeous outside was landscaped beautifully, the reception in the catering barn was gorgeous! People are still commenting on how delicious the food was. Thank you for your kind service!
