THE SPACE

The Space is Vegas' newest and most exciting multi-use venue! Located just one block off the Strip, The Space allows those seeking an alternative to casino ballrooms a unique home to allow their imaginations to run wild.

Every inch of The Space has been meticulously thought out, from our incredible gender-neutral bathroom facilities, to our state-of-the-art lighting and sound. Las Vegas finally has an affordable venue that people will love.

From corporate rentals to concerts, banquets and birthdays, when our technical experts and creative minds come together, The Space team can take your ideas and bring them to life in a way you never thought possible.

Whether you require expert technical support, custom fabrication, event marketing, or the guarantee of quality rental items, we offer a wide range of event services that are sure to fit your needs.

We look forward to helping bring your event to life.
