Greg and Penny were so great to work with and the venue was stunning for our wedding celebration! My husband and I live in NJ, but had our reception here since it's near my hometown. Being able to use the venue's own catalog of decorations and add-ons was so much more convenient for us than trying to buy, store, and transport it ourselves. We found the venue super affordable, and the mansion that we, and part of our wedding party stayed in over the weekend were absolutely stunning. We've received so many compliments on how beautiful everything was for our reception and we owe so much of that to Greg and Penny at Ludlow Mansion Events!

My son had his wedding and reception two days ago. I cannot say enough wonderful things about this facility and the staff. Guests were blown away at how beautiful and clean everything is. There was not one need that wasn't met with a smile.

What our brides are saying:

Wedding weekend at its finest! Thank you for such great service! We enjoyed every minute! I have had a bridal shower and now a wedding here and would not hesitate to give the highest of recommendations to the Fedders family! Thank you all!!

Michele H.

Penny and Greg were AMAZING! Trying to have a wedding during COVID was not easy and they helped make our day perfect and as safe possible. The venue is so beautiful and has so much space. The package we purchased allowed us to use the venue for the entire weekend which was really nice. We had our rehearsal dinner there and our gift opening brunch on Sunday. We also had a two night stay included with our package. The room was right on the property. It was nice to be able to go there after a long day and get a good night's rest.
