

NINE MILE COMMUNITY CENTER USAGE APPLICATION and RENTAL CONTRACT

AOPOTED: May 14, 2024

The Nine Mile Community Center (NMCC) welcomes use of our facilities for both public events and private rentals. We offer 2.5 acres of forested land in western Missoula County with our original 1915 Stark Schoolhouse, a large open air party Pavilion, and a 1940's vintage Community Church & Wedding Chapel on the property. The NMCC is a 501(c)(3) non-profit organization run by local volunteers with a mission to honor the rural heritage of our area, promote community engagement, and provide for a sustainable future. Rental income helps fund our mission. All events are subject to this application process and approval by the NMCC Board of Directors.

Public Events Defined

The historic NMCC grounds have been a public gathering place for more than 100 years. Public events include programs for nonprofit organizations, local groups and clubs, dances, public meetings sponsored by government entities, holiday celebrations, and nondenominational religious holiday events (such as Easter or Christmas), etc. There are no rental fees or security deposits for public events, but all other terms and conditions of this Rental Contract apply.

Public Benefit Seminars Defined

A Public Benefit Seminar is an educational event where people gather together to learn more about a certain topic or subject. Seminars usually involve presentations, discussions, and interactive activities that help attendees obtain more knowledge, skills, or enhance their wellbeing. For example, public benefit seminars may include art workshops, cooking classes, estate planning, fitness training, etc. Public benefit seminars do not include sales or marketing events, political gatherings, nor any activities contrary to the Internal Revenue Service and/or Montana codes regarding non-profit organizations.

Organizers can charge admission fees. There are no rental fees or security deposits for Public Benefit Seminars, but all other terms and conditions of this Rental Contract apply.

Private Events Defined

The NMCC welcomes private event rentals. Private events include weddings, receptions, parties, retreats, and memorial gatherings, etc. Private Renters must apply to the NMCC for event approval and pay applicable rental fees.

Description of our Facilities

Our Surroundings: The Nine Mile Community Center is located about half-way up the rural Nine Mile Valley, approximately 30 miles west of the City of Missoula. The facilities are about 10 miles off Interstate-90 exit 82 with the last 3.8 miles on a county maintained gravel road. The property is nestled in a lovely ponderosa pine forest, surrounded by National Forest, private ranches, and nearby homes. **The physical address is 25620 Nine Mile Road, Huson, Montana. Our mailing address is NMCC, P.O. Box 1061, Frenchtown, MT. 59834.**

Stark School: Constructed on this site in 1915, the schoolhouse has long served as the heart of our community. It is a well preserved example of an early 20th century rural school designed in the Craftsman style. The building is listed on the National Register of Historic Places, and it is the main building of the community center. Today the 3,200 square-foot structure has two main upstairs rooms including a dining room with full kitchen, and an adjacent classroom. Downstairs holds a large open floorplan multi-purpose room. The dining room seats about 35 people at tables; the

classroom seats about 55 people; the downstairs area will accommodate about 85 people. Mens and Ladies restrooms are located upstairs. The building is not ADA accessible.

Nine Mile Community Church: Our quaint country chapel has hosted weddings, memorial gatherings, and holiday programs since the 1940's. The church started out as an industrial building for mining operations up the valley, and when the mine closed local residents repurposed the structure to serve as a community church. The pews, chancellery furniture and working church bell were acquired in 1950. In 2006 the church was donated to the Nine Mile

Community Center and moved to its present location. The church can seat up to about 65 people. The building is not ADA accessible.

Pavilion: The Pavilion is a large open air outdoor structure (42' X 28' covered), with a built in bar top, overhead lights, and electric outlets. Our Pavilion was constructed in 2012 using wood columns made from "sinker logs" salvaged from the Blackfoot River after removal of Milltown dam. The 50+ livestock brands emblazoned on the roof beams represent local ranches and families with ties to the Nine Mile. The twisting 16' long western larch wood bar was saved from the famous Nine Mile House restaurant before it burned down. The

Pavilion will comfortably cover about 150 people sitting in chairs, or 70 sitting at tables. The structure is ADA accessible.

Tables & Chairs: The use of 40+ tables and 150+ chairs are included with your rental at no additional charge. We have 22-6' portable folding tables, 8-8' portable folding tables, 12 other various size tables. All tables are rectangular. There are 115 folding metal chairs and 50 brown chairs with upholstered backs and seats.

Parking: There is free parking for about 50 vehicles on-site, with additional overflow parking along the County Road. The physical address is 25620 Nine Mile Road, Huson, Montana.
