Affordable Inclusive Pricing

We provide affordable, inclusive pricing that saves couples thousands and makes the process easy. We know how expensive a wedding can be when you add up all the little details. That's why, with Ever After Farms, you aren't charged extra for more guests or how many linens you use. Unlike many other venues, we don't believe in nickel and diming couples. Instead, we have one package that includes our entire collection of tables, chairs, decorations, signs, audio systems, and so much more. We also know just how confusing some venues make their pricing so ours is simple and transparent. There is one price for each open date on the Calendar so you will know instantly, exactly what it will cost to have your wedding with Ever After Farms. Below is what is included with the Flower Barn as well as our affordable, inclusive pricing:

- Wedding Day Management: (*OPTIONAL & learn more on our website*)

How You Save with Our Pricing

Here is how our pricing saves you thousands:

- Tables & Chairs: Since we already provide these, this alone saves you \$1,000 or more from having to rent from a rental company.
- Linens, Centerpieces & Other Decorations: Since we provide these for you, you can save at least another \$1,000 - \$2,000 from having to rent/buy them.
- Food & Drinks Storage: Because we provide a commercial refrigerator, hot box, beverage cooler and deep freezer, you can avoid paying for a professional caterer altogether. You can have friends and family bring the food or you can buy a party platter from your local favorite restaurant and then spread it out on our buffet tables and let your guests serve themselves. This alone can save you thousands!
- Sonos Speaker System: If you want to save on the cost of a DJ, we have a very powerful Sonos Speaker System that can be controlled from an iPhone that can pump out all music you would want to play at your event.
- Vendor Choice: Since you aren't forced to use a preferred vendor, but instead, can choose any vendor you want, you may be able to save quite a bit by having the freedom to choose your vendors.
- Vendor Discount: Since our venue is so vendor-friendly in so many ways, you may also get a discount from certain vendors who may charge you more if you're having your wedding at a venue that's more difficult for them to provide their services.

Your Next Step

We are really booking up fast so your next step is to check availability on our calendar and then schedule a tour so you can experience this extraordinary venue up close and in person!
