

THANK YOU  
FOR CONSIDERING

# CaptureMS Photo Booth

# Photo Booths

Our LED and Prime photo booth's both function the same but offer their own unique vibe. Our LED Booth is a show stopper and fully lights up with with multi-colored LED lights. Our Prime booth features a tilting camera making this booth ADA accessible and great for events with children. Booth photo booth's print photos onsite and only use photography grade equipment.

Choose a photo booth that fits your vibe!

# Audio Guest Book

An audio guest book is a modern twist on the traditional guest book, allowing guests to leave personalized audio messages instead of written notes. This interactive experience captures the voices and emotions of your guests, creating a heartfelt keepsake that you can cherish for years to come. With easy-to-use recording technology and customization options, an audio guest book adds a unique and personal touch to any event.
