**Q: Can we bring outside food and drink to our event?**

**A:** Due to food safety regulations that Lolley's Ice Cream and Lolley's Tasting Room adhere to, **homemade or store bought outside food and beverage are not permitted.** You may book one of our catering partners or another licensed full service caterer for your event. Please refer to our **Tasting Room Contract** when booking an outside caterer.

**Q: I don't know how many people are coming to my event, how do I manage the cost per person?**

**A:** Under each package in our catalog, there is an optional **add-on for 10 guests** to your event. We say 10 at Lolley's Tasting Room to provide a range when booking. We completely understand that truly knowing the exact number is difficult. If you **build your own event** with our Ala Carte Pricing on pages 4-6, the **guest count is needed for any food/beverage add-ons.**
