# *What our clients say...*

Simply put, Erica is a magician of weddings. In fact, I'm not sure I can do justice for just how amazing Erica and her team are. From the get-go, Erica understood what we were asking for and went above and beyond to find truly one of a kind vendors (that were within our budget!) for our special day. When it comes to planning, she is your cheerleader, your coach, and the do-er that never misses the mark, especially on the nitty-gritty details. Want a virtual/in-person hybrid wedding? A retro-phone booth? Haul board and yard games from your apartment to the venue? Consider it done. In fact, our guests couldn't stop commenting on how fantastic and pleasant Erica and Katie were on our wedding day. We would do a hundred more events if we could have One 15 Events work with us again.

*Mukie & David*

We planned a weekend-long wedding at a summer camp. We had no idea how involved this would be. The One15 team not only helped us to brainstorm and research, but also kept us from feeling defeated or overwhelmed. On top of that, they reminded us what really matters at the end of the day. Working with them likely kept the relationships with our friends and family and with each other intact (I know it sounds dramatic but planning a big wedding was very hard and emotional for us). Thanks so much One15 Team!"

## *Do you plan weddings that include different religions/cultures?*

Absolutely! We've had the pleasure of working with so many amazing couples from different backgrounds and cultures. It's one of the best parts of what we do! We love blending unique traditions and creating a celebration that truly reflects both of you. And guess what? We can even help you create new traditions that are totally unique to the two of you.

## *Frequently Asked Questions*

### *Do you travel?*

YES! Most of our couples tie the knot in NYC, NJ, CT, or PA, but we're more than happy to travel wherever your wedding takes us. We also love destination weddings!

## *Who will we work with?*

At One 15 Events, we have an amazing team of three incredible planners. Our founder and owner, Erica Casner, personally works with our Full and a few Partial Planning couples. For Partial Planning, Day-of Coordination, and Event Management, you'll be in great hands with our dynamic duo of Lead Planners. Plus, every wedding will also have an awesome member of our assistant team to ensure everything runs smoothly. We're all here to make your big day absolutely perfect!
