Natural landscapes, great for photography

The Medicine Park Aquarium & Natural Sciences Center is a unique option for events of all kinds – weddings, birthdays, family reunions, corporate events and more. We offer private event packages for small to large parties with lots of optional add-ons to enhance your experience.

Events can utilize space available inside our 10,000 square foot aquarium, on the covered patio area as well as on the grounds within the native wildlife zoo and botanical gardens.

Contact our event team anytime for more information and assistance planning your gathering at events.info@mpmns.org. Email is best to start the conversation regarding dates needed and details. We recommend you schedule a site visit to make sure our space can accommodate your event plan and group size.

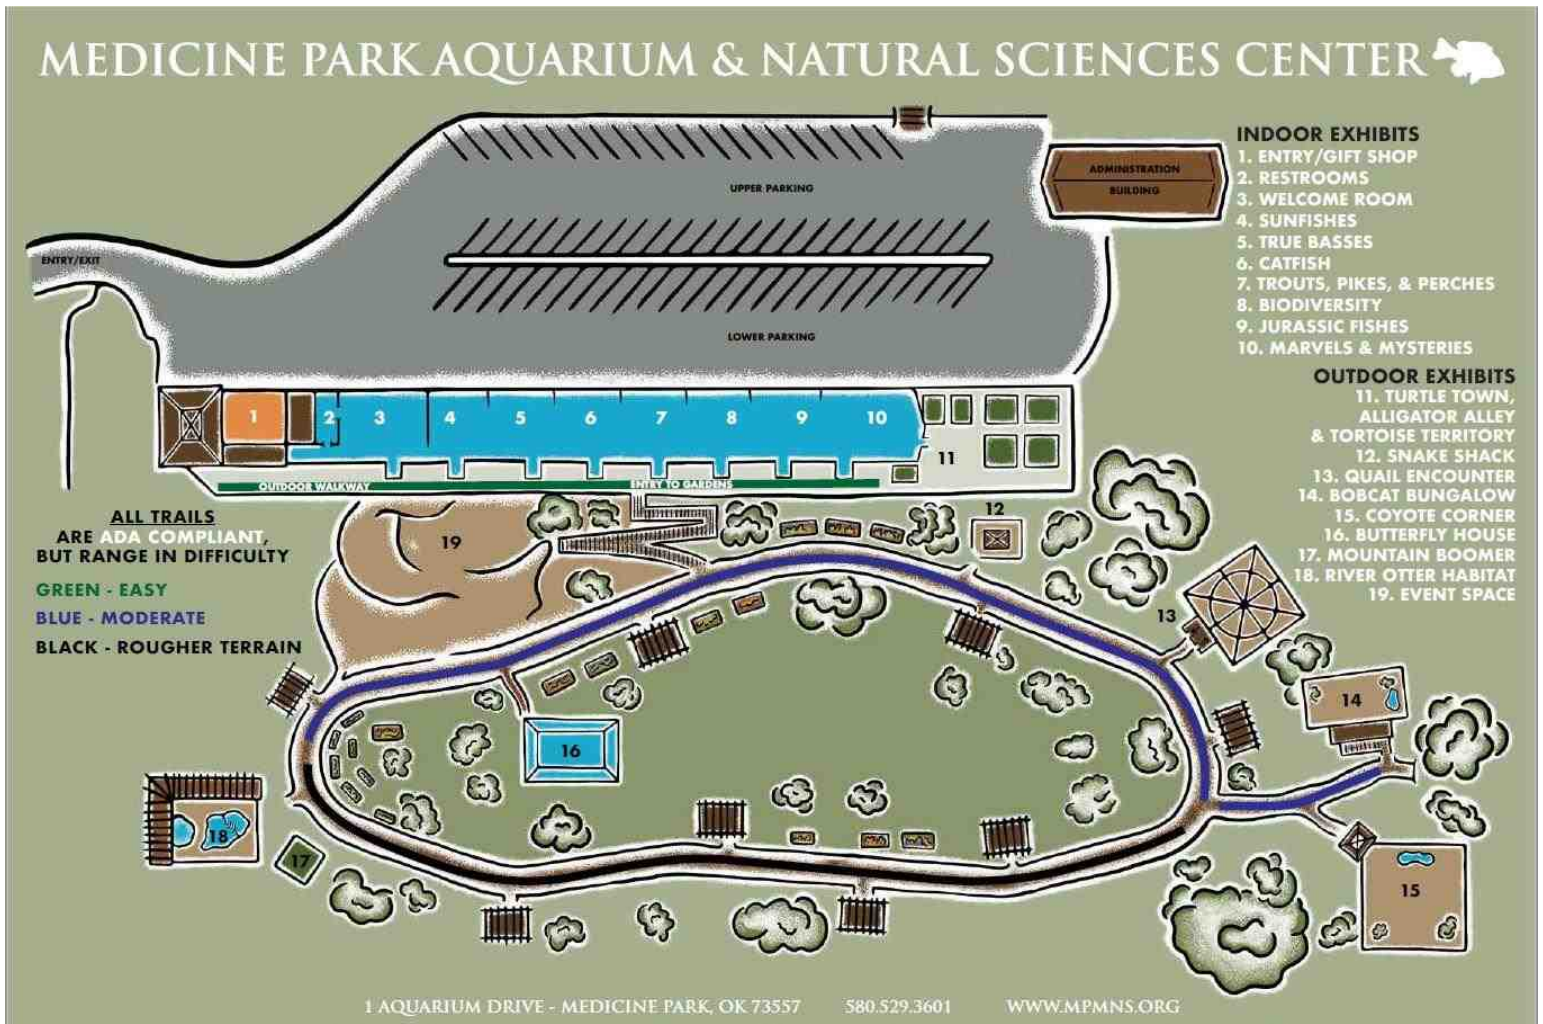

Please note all packages include a \$150 cleaning fee, which can be refunded if you leave the space as you found it.

Half of the package cost is due at the time of booking as a deposit to secure your date. The balance is due ten days prior to the event.
