BARTIZAN WEDDINGS

A History

OF DOVER HALL EXPERIENCES

Dover Hall Experiences is a luxury hospitality company led by the visionary duo - Jeff Ottaviano & Chad Hornik. In 2017, Dover Hall Experiences was launched when they assumed management of the picturesque Goochland property, Dover Hall.

“We never imagined that what started as a friendship 12 years ago would become such a wild and exciting ride. Our mutual passion for fine wine, delicious food, and travel, plus nearly 50 years of combined experience in the hospitality industry, prompted the decision to form Dover Hall Experiences in early 2017. Our mission was to build a portfolio of Virginia’s Premier Destinations for Unrivaled Events, Boutique Lodging, and Thoughtful Cuisine. In just five years, we have assembled a team of the region’s best hospitality heroes and are offering a product second to none at all of our properties. We hope you will join us on this ride and cherish each and every Dover Hall Experience. CHEERS!” - *Jeff & Chad*

Bartizan is DHE's first sister property, conveniently located in Short Pump's West Broad Village. We opened our doors in December 2019 as a full-service restaurant with hopes of one day being just an event venue. Since August 2022, Bartizan has been operating as an events-only venue and it is thanks to our incredible clients that we were able to make this dream a reality!

Our flagship property, Dover Hall, is a refined, English Tudor-inspired castle placed elegantly among the rolling hills of Manakin-Sabot, Virginia. The exceptionally grand 38,000-square-foot estate house sits peacefully on 55 private acres in Goochland County's equestrian country and is a short 15-minute drive from Bartizan. Bartizan, by definition, is an elevated corner turret of a castle.

Our carefully chosen name and logo are subtle tie-backs to the property that has become Richmond's premier event venue. Coupled with many of the Bartizan design elements, this is evidence of the intent we put into every detail.

THE CEREMONY

Our Event Hall is the perfect 2,200-square-foot blank canvas for your customized ceremony. This stylish space has full audio-visual capabilities, private restrooms, and a separate entrance that allows a grand reveal of your cocktail and reception areas. The oak-wood focal wall allows for your ceremony backdrop to be uniquely yours and our dimmable farmhouse chandeliers set the mood that is most appropriate for your celebration.

Many of our clients also choose to host their nuptials at nearby churches, synagogues, and mosques! Interested in an off-site ceremony site? Inquire with your Sales Manager about popular locations in and around the surrounding Richmond area.

THE COCKTAIL HOUR

The White Oak Room provides a modern space with farmhouse accents, a large quartz stately bar, and customizable seating arrangements. Usher your guests from the Event Hall, through a private corridor, to the White Oak Room for a natural light-filled cocktail hour experience.

Just outside the White Oak Room is a lovely covered and temperature-controlled patio, perfect for providing your guests with an indoor/outdoor experience. The lofted mezzanine is a great location for a photo booth, a stationary food display, or for your guests to privately catch up with friends and family.

Locally sourced ingredients featured in artisan passed canapés will pair perfectly with specially curated beverage packages – featuring our own 7 Lady Vineyards wines!
