MEETINGS AT HARD ROCK HOTEL

ATLANTIC CITY

OUR ROOTS

In 1971, two shaggy-haired Yanks opened an American diner in an old Rolls Royce dealership in London. It had nothing to do with market studies or target audiences. It didn't even have anything to do with memorabilia. That was just a goof: Clapton wants to save his favorite table - sure, we'll put the guitar on the wall. Four decades, 70+ countries and 180+ Hard Rock Cafes and 39 hotels & casinos later, we're still saving tables for our rock star friends, and for millions upon millions of their fans.

EVERYONE HAS SPACES, WE HAVE VENUES

LIVING OUR MOTTO'S

While music is the heart of Hard Rock, philanthropy is its soul, and Hard Rock International is committed to making a difference through a wide variety of philanthropic causes and activities. For 50 years, Hard Rock International has made it both its business and its abiding passion to make the earth a safer, healthier and better place to live. Since opening in 1971, Hard Rock International has been committed to two consistent brand pillars, music and philanthropy. In 2016, Hard Rock International launched the Hard Rock Heals Foundation, a global charity that aims to improve lives through the power of music. Hard Rock's guiding principle, "Love All – Serve All," encompasses the brand's dedication to its core mantras – "Save The Planet," "Take Time To Be Kind" and "All is One."

LOVE ALL—SERVE ALL
TAKE TIME TO BE KIND
ALL IS ONE
SAVE THE PLANET

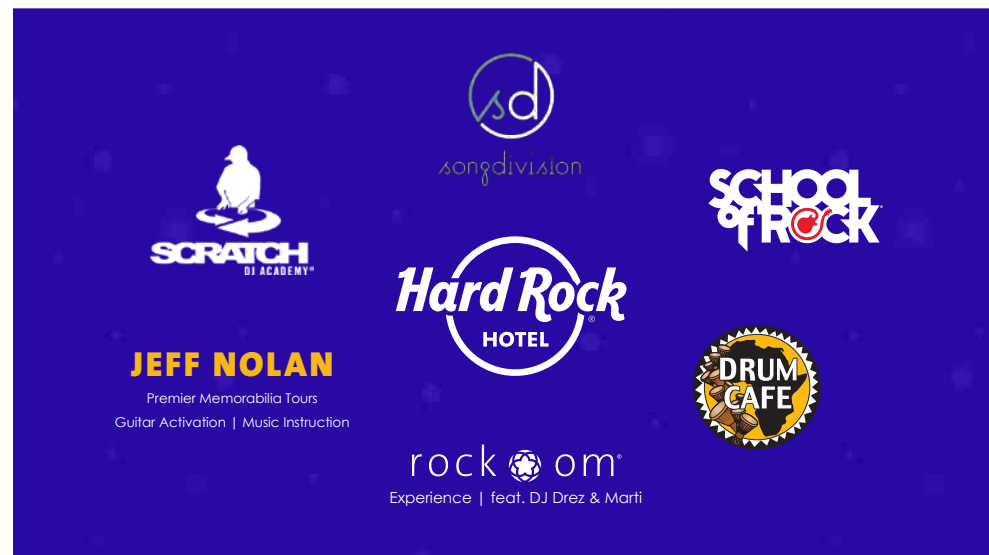

Music is our essence. It can create moods and memories. It can make you move you to the floor or tuck you into bed. Music has a powerful effect on creativity. It can make you want to leave, or it can make you want to stay. Ignore it at your peril, as it is our potent brand differentiator and we take it very seriously. Our guests should not leave us and hear the same tracks at the mall or an airport food court that they have heard at our hotels. Hard Rock Hotel playlists are bespoke, lovingly hand crafted by our team of musical magicians. Remember that mix tape you made for your high school crush? Well our DJ's are crushing on our hotels. And their record collections are huge. But love is a two-way street, and that's one reason why our Vibe Managers, whom we refer to as the Visionary Individuals Behind the Experience, at each property are vital. Their input and expertise, their physical presence on the ground, is crucial in properly executing the music program.

MUSIC IS OUR ESSENCE.
IGNORE IT AT YOUR PERIL.

BREAKOUT

ATLANTIC CITY

STEP OUTSIDE AND STEP IT UP

The further you're willing to venture, the more Atlantic City you'll experience. Outside our door is the iconic Atlantic City boardwalk filled with a rich history and you're just steps away from the beach.

Please call on us at any time to schedule a visit and experience Hard Rock Hotel & Casino Atlantic City for yourself.

Experience everything Atlantic City has to offer by visiting the beaches, boardwalk, Steel Pier, Absecon Lighthouse and more!

The Seminole Tribe of Florida, also known as, “The Unconquered People,” survived and thrived after three wars with the United States Military in the swamps of the Florida Everglades.

Descended from just 300 Native Americans who eluded capture in the 19th century, today’s Seminole Tribe of Florida includes more than 4,000 proud people, some of whom reside on six reservations throughout the State of Florida—Hollywood, Big Cypress, Brighton, Immokalee, Fort Pierce, and Tampa.

One of the most economically diverse tribes in the country, the Seminoles are actively involved in the tourism, hospitality, citrus, cattle, and sugar industries.

It is with admiration for the unconquered spirit, and respect for the culture, heritage and tradition of the Seminole Tribe of Florida, that we have appointed our ballrooms with the names of the Florida Tribal Communities of the Seminole People.
