B. Graphics and photo customization :

In order to guarantee optimal customization of your photos, please provide us with the following elements:

1. Logo of your company or wedding (formats: .pdf, .png, ideally .eps or .ai).
2. Invitation card (formats: .jpeg or .pdf) to allow us to use the visual theme of your event.
3. Theme of your event (if you do not have an invitation card).
4. Graphic files or other elements to include in the customization of your photos (accepted formats: .eps, .ai, .png, .jpeg).
5. Adding text: for example, you can request the insertion of a text such as “Prestige Evening” with the font of your choice.
6. Layout: Please provide us with clear instructions on how to arrange all of these elements

Tip: For additional graphic elements, you can check out sites like Freepik, which has a huge selection of downloadable files.
