Cocktails & Libations

We specialize in elevated cocktail service; our expert bartenders craft each drink with meticulous care, using only fresh-squeezed juices and high quality spirits and liqueurs. From classic cocktails to innovative creations, our menu has something to suit every palate. We pay close attention to every detail of the cocktails we serve, from glassware to garnish. Our house-made syrups, bitters, and rimmers are the focus of our cocktail menu - so that when you taste your new favourite cocktail, you can replicate it at home.

For any custom cocktails or special liquor requests, please inquire.

We specialize in making all beverages taste amazing, so if you know your group has non-alcoholic requirements, we can absolutely accommodate everyone!

Food

Our versatile menu offers a vibrant selection of tapas, charcuterie, and sharables to complement your event. We work with local growers, producers, and bakers, including Sprout Bread Co, Italian Meat Master, and Taste of the Okanagan, to build each of our dishes with top quality ingredients. Our food menu is designed to complement our cocktail menu, catering perfectly to your diverse tastes and preferences.

In order to best accommodate you and your guests, food must be pre-ordered and will be served family-style. Food will be coursed to ensure all guests get a chance to eat as well as leave satisfied!
