Our Story

Lovebird Coffee is a full-service mobile coffee trailer offering high quality craft espresso and tea-based drinks, based out of Chico and established in 2023. What was once a 1960 camping trailer is now our lovingly hand-restored coffee shop! We take pride in doing everything with love, and sourcing the most ethical, whole ingredients right here in town! We're delighted to offer Stoble Coffee, Chico Chai and small-batch craft tea products from Smith Teamaker.

Rebecca Turri

Owner, Head of Business Development

Rebecca moved to Chico in 2016 to pursue her Business Management Degree from California State University, Chico. With a strong passion for people and our beautiful community, Rebecca wanted to create a warm space for friends and lovers to connect over delicious coffee.

Today, Lovebird Coffee parks on Chico State's campus and is delighted to serve over 200 students, faculty and friends on a daily basis. When Lovebird Coffee isn't fueling the bustling Chico State community, we focus almost exclusively on weddings. Creating a memorable, one-of-a-kind experience for you and yours is Rebecca's delight.
