

YOUR EXPERIENCE

Start your meal at the salad bar, where you can visit as often as you like. When you're ready for the main event, flip your card from red to green to signal the Gauchos to begin tableside service of our fire-roasted meat selection. Savor each offering as it arrives or feel free to request specific cuts. Unlimited side dishes will be served to your table once the meat service begins, and we're happy to refresh your plates as many times as you'd like throughout your meal.
