

Yari~

Once again we would like to thank you and your orchestra for the tremendous performance at our daughter's wedding on August 22nd at the Hotel Casa Del Mar. Every single song that you played was a hit with the guests as you could see. We appreciate that your group was prepared to play right on schedule and also that your group showed so much personality. Your music, professionalism, and passion were a perfect

way to start the celebration.

With Sincere Thanks & Appreciation~
